Antidote information is provided in cases of accidental poisoning or drug abuse.

To Report A Fire Dial 911

RSA 125-N prohibits residential trash burning. The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Auburn Fire Department for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 a.m. and after 5:00 p.m. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

PARKING DURING SNOW STORMS

- A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 p.m. and 8:00 a.m. or at any time in such manner as to impede snow removal operations
- B. Any vehicle parking in violation of Section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
- C. Any person violating Section A hereof shall be subject to a penalty not to exceed twenty-five (\$25.00) dollars for each offense.

DOG ORDINANCE

- A. **Restraint:** All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
- B. **Penalty:** Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than twenty five (\$25.00) dollars for the first offense.

BOSTON POST CANE HONOREE

Addie Davis 2000

TOWN OF AUBURN

Dear Auburn Residents,

The year of 2003 in America was one of political turmoil, as the preparations for the 2004 Presidential Primaries seem to have brought out some of the most pessimistic views of the state of our country. When you take an honest look at the problems that America is faced with and compare them to those of other nations, it is obvious that we, as a people, are fortunate. It can be seen that most of the pessimists and complainers really do not have magic cures for the problems they describe. They have different opinions of how the world should be managed, which is ok, but to demand "my way or no way" is just unreasonable and selfish.

Fortunately, Auburn has been blessed with volunteers who donate their time to the study of federal, state and local laws and administer our town business with honesty, reason, fairness and common sense. Our town boards and committees are outstanding and they should be praised for the work they do. Most of the committee and board meetings are open to the public to attend and express opinions or just learn about our town government

What happened in Auburn in 2003?

Auburn had 45 new homes constructed in 2003, which amounted to slightly over a 2% growth increase. This is well below the maximum of the 4% growth allowed by our town-planning ordinance. The school student population actually decreased slightly. This is an indication that Auburn growth control is working.

We also survived the mandated town wide property revaluation. The next revaluation is mandated for five years from now. With our updating procedures and our new computer programs, future revaluations will be less drastic, more efficient, and result in minor value changes, if any.

Dearborn Road has been reconstructed; the road was straightened and the dangerous bridge replaced. The old Auburn landfill has been cleaned up and the closure is nearly completed. The Longmeadow Church was renovated and has shown an increasing attendance.

What is planned for 2004?

Hooksett Road is to be reconstructed during 2004. Other town roads will be reconstructed or resurfaced, as funds are available. A new church, The First Assembly of God, will be constructed on Hooksett Road, to the rear of Myles Plaza by Route 101. The Longmeadow Church congregation is planning to add an extension to the church in 2004. It is nice to see churches growing in attendance in our community. New home development projects are also planned for several areas in town.

The Selectmen have proposed warrant articles, including ones to assist the elderly, the disabled and veterans. After researching these exemptions and credits with other NH towns, we feel it necessary to revise our exemptions and credits in order to bring them more in line with the new property values. We hope you will vote for these articles.

David Anderson

Harland Eaton

Bruce Knox

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Auburn, in the County of Rockingham in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in Auburn New Hampshire on Tuesday, March 9, 2004 at 7:00 a.m. to act upon the following subjects:

To bring your ballots for:

First: Selectman for three years
 Town Moderator for two years
 Town Treasurer for one year
 Library Trustee for three years
 Cemetery Trustee (Auburn Village Cemetery) for three years
 Cemetery Trustee (Longmeadow Cemetery) for three years
 Trustee of Trust Funds for three years
 Supervisor of Checklist for six years
 Police Commission for three years
 Auditor for two years

Second: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board, in conformance with NH RSA 675:1, et seq. and include the following:

1. To amend Section 6.05 of the Ordinance to increase the fines for violating the provisions of the Ordinance to two hundred seventy five dollars (\$275.00) for each offense, such that Section 6.05 is consistent with the fine of two hundred seventy five dollars (\$275.00) set forth in Section 7.07
2. To amend Section 6.08 Zoning Board of Adjustment, paragraph 4. Powers, to insert a new subparagraph f. and to re-letter the remaining paragraphs, in order to clarify that the Zoning Board of Adjustment has the authority under NH RSA 6674:41 to hear appeals from the decision of the Building Inspector denying an application for a building permit on a lot accessed by a Class VI road; said new section to read as follows:
 - f. To hear appeals from the decision of the Building Inspector denying a building permit on a lot accessed by a Class VI road, whenever the enforcement of NH RSA 674:41 would entail practical difficulty or unnecessary hardship and when the circumstances of the case do not require the building, structure or part thereof to be related to existing or proposed streets. In passing on such an appeal the

Zoning Board of Adjustment may impose such terms and conditions as it deems appropriate under RSA 674:41.

3. To insert a new section 6.14, Appeals under RSA 674:41, and to renumber the existing sections accordingly, such that the new section reads as follows:

If an appeal has been granted under RSA 674:41, the applicant shall have one (1) year within which to obtain a building permit. Failure to secure a building permit within one (1) year of the Zoning Board of Adjustment's decision shall result in expiration of the relief granted by the Zoning Board of Adjustment.

4. Amend Section 3.09 Growth Management, Paragraph A. Findings to reference the most recent update to the town's Master Plan, to amend the first sentence to read as follows:

"Auburn has adopted and recently updated (2001) their Master Plan"; and
Amend Section 3.09 Growth Management, Paragraph E. Issuance, subparagraph 8. to read "unused total annual allocations shall lapse at the close of the year and may not be carried over to a subsequent year."

Further, in accord with Section 3.09 Growth Management, Paragraph G. Administration, subparagraph 3., to see if the Town will vote to accept the recommendation and findings of the Planning Board that the Town's building permit limitation of four percent (4%) and the limits set forth in Section 3.09 Growth Management, remain a fair equitable and necessary method of growth management for the Town.

5. Amend Section 4.07 "C" Commercial-One District and "C-2" Commercial Two District to allow a veterinary clinic as a permitted use in both the "C" Commercial-One and "C-2" Commercial-Two Districts; and

Amend Section 4.08 "I" Industrial, to allow a veterinary clinic as a permitted use; and further to Amend the Table of Uses in Appendix A accordingly.

The Polls will be open at 7 a.m. and close at 7 p.m.

You are also notified to meet on Saturday, March 13, 2004 at 1:00 p.m. at the Auburn Village School to consider the following articles:

Third: Shall we modify the elderly exemptions from property tax in the Town of Auburn, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 74 years (\$90,000.00); for a person 75 years to 79 years (\$110,000.00); for a person 80 years of age or older (\$150,000.00)? To qualify, a person must have been a New Hampshire resident for at least five years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other at least five consecutive years. In addition, the taxpayer

must have a net income of not more than \$40,000.00; or if married, a combined net income of less than \$25,000.00, and own assets not in excess of \$40,000.00, excluding the value of the residence. (Majority vote required) (Recommended by the Board of Selectmen)

Fourth: Shall the Town of Auburn vote to adopt an exemption for the disabled under the provisions of RSA 72:37-b as follows: The exemption, from assessed value, for qualified taxpayers shall be \$50,000.00. To qualify, the person must be eligible under Title II or Title XVI of the Social Security Act, and must occupy the property as his principal place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least five years, had in the calendar year preceding April 1 a net income from all sources, of not more than \$29,700.00, or if married, a combined net income of not more than \$38,500.00; and own net assets not in excess of \$100,000.00 excluding the value of the person's residence. (Majority vote required) (Recommended by the Board of Selectmen)

Fifth: Shall we modify the veteran's tax credit in the Town of Auburn, based on assessed value, for qualified taxpayers, to be \$300.00? (Majority vote required) (Recommended by the Board of Selectmen)

Sixth: Shall we modify the veteran's disabled tax credit in the Town of Auburn based on assessed value, for qualified taxpayers, to be \$2000.00? (Majority vote required) (Recommended by the Board of Selectmen)

Seventh: Shall we modify the blind exemptions from property tax in the Town of Auburn based on assessed value, for qualified taxpayers, to be \$50,000.00? (Majority vote required) (Recommended by the Board of Selectmen)

Eighth: To see if the Town will vote to raise and appropriate the sum of Three hundred sixty one thousand dollars (\$__361,000__) to add to the existing Capital Reserve Fund in accordance with RSA 35:1 for the closure of the Solid Waste/Incinerator site. (Recommended by Board of Selectmen) (Recommended by the Budget Committee)

Ninth: To see if the Town of Auburn will vote to raise and appropriate the sum of Forty Seven Thousand, Fifty Four dollars (\$47,054.00) to continue the full-time patrolman position, salary and benefits, previously partially funded by a three-year U.S. Dept, of Justice C.O.P.S Grant. This grant of \$75,000.00, which was paid over a three-year period towards his salary and benefits, was completed on December 31, 2003. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Tenth: To see if the Town will vote to create an expendable trust fund under provision 31:19a to be known as "Emergency Social Health Trust Fund." Further to raise and appropriate Fifteen Thousand Dollars (\$15,000) into this fund, and to name the Board of Selectmen agents to expend. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

œ **NOTES** œ

⌘ **NOTES** ⌘

Eleventh: To see if the Town will vote to raise and appropriate the sum of sixty-five thousand, seven hundred dollars (\$65,700), to be used to rehab the Fire Department's existing Rescue One light rescue vehicle by the replacement of the current cab and chassis with a new Ford F-550 extended cab and chassis, and rehabilitation of the entire vehicle. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Twelfth: To see if the Town will vote to raise and appropriate One hundred twenty-five thousand dollars (\$125,000) for 'police outside duty detail'. Said sum to be **offset** by revenue from organizations and businesses using the service and will have no impact on the tax rate. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Thirteenth: By Petition: While believing in the importance of Conservation, we hereby urge the decision makers at all levels in Auburn to enforce the Law and allow "Lover's Lane" to be Upgraded from a "Class 6" Road to a "Class 5" Paved Road to protect and ensure the benefit of all abutters. We understand that the aforementioned improvement to "Town Standards" will be of "NO EXPENSE" to the residents of Auburn. This also will protect Auburn from probable Litigation. (Petition submitted by Norman Boulay, signed by at least twenty-five certified petitioners) (Recommended by the Board of Selectmen)

Fourteenth: By Petition: To see if the Town will vote to reclassify Lovers Lane, the dirt portion presently Class VI; which runs between Bunker Hill Road through to Chester Road (Rte 121), to a Class A Municipal Trail under RSA 231-A. (Petition submitted by Dee Cleary, signed by at least twenty-five certified petitioners). (Not Recommended by the Board of Selectmen)

Fifteenth: To hear the report of the Budget Committee and to see if the Town will vote to raise and appropriate the sum of **Two Million Eight Hundred Thousand Four Hundred Twenty Two Dollars (\$2,800,422)** to defray Town operating charges and legal obligations for the ensuing year, non-inclusive of the above warrant articles.

Sixteenth: To transact any other business that may legally come before the Town Meeting.

Given under our hands and seals this 23rd day of February, 2004.

The Selectmen of the Town of Auburn

Harland Eaton, Chairman
David Anderson
Bruce Knox

BUDGET OF THE TOWN/CITY

OF: Auburn

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2004 to December 31, 2004

or Fiscal Year From _____ to _____

**ANNUAL TOWN MEETING
AUBURN, NEW HAMPSHIRE
2003**

The Annual Meeting for the Town of Auburn, N.H. was called to order by the Moderator, C. Donald Stritch, at 7:00 AM on March 11, 2003. Voting proceeded until 7:00 PM.

The business meeting was adjourned to Saturday, March 15, 2003 at 1:00 PM to take up Articles Three through Thirteen.

Articles One and Two were decided on the written ballot on March 11th with the following results. 895 voted (4 absentee). 21 registered to vote on election day; total number of registered voters 2822.

First:

Selectman Three Years: David Anderson 427*
 Terry R. Gaston 121
 Paula T. Marzloff 324 Write-ins 5

Tax Collector Two Years: Kathleen A. Sylvia 792 Write-ins 5

Town Treasurer One Year: Jayne Jackson 789 Write-ins 3

Library Trustee Three Years: Nancy Mayland 805 Write-ins 3

Cemetery Trustee (Village) Three Years: Michael T. McCarthy 798 Write-ins 4

Cemetery Trustee (Longmeadow) Three Years: Michael Zorawowicz 781 Write-ins 4

Trustee of Trust Funds Three Years: Dorothy J. Carpenter 786 Write-ins 5

Auditor Two Years: Paul Therrien 774 Write-ins 4

Highway Agent Three Years: Emerson Heald 440*
 Joseph P. Stacy 425 Write-ins 1

Police Commission Three Years: Aldis J. Christie 336
 Dennis G. McCarthy 498* Write-ins 2

Second: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board, in conformance with NH RSA 675:1, et seq. and include the following:

1. Are you in favor of adopting Amendment No. 1 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend the Town of Auburn Zoning Ordinance to readopt the provisions of the Town of Auburn's Growth Management Ordinance set forth in Section 3.09 Growth Management and to accept and reaffirm the recommended limits on growth set by the Ordinance. **YES 659 NO 173**

2. Are you in favor of adopting Amendment No. 2 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend section 2.02 "Words and Terms," 66. Private Educational Facility to read: "Any school, which is not a public facility and is not a nursery school, such as a dance studio, music school, craft facility, and educational tutoring service."
YES 571 NO 239

3. Are you in favor of adopting Amendment No. 3 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend section 3.11 Clustered Development, Paragraph 4., subparagraph a. to add a sentence stating that, "The net undeveloped land shall become open space, shall be regulated in accord with Paragraph 5 and shall not be used to calculate density for future development."

Amend section 2.02 "Words and Terms," 61. Open Space to read: "Land unencumbered by any roadway, parking space, service area, impervious surface, building or other substantial structure an designated as open space on a subdivision or site plan."
YES 629 NO 200

4. Are you in favor of adopting Amendment No. 4 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend section 4.06 "R-1, Residential-One District and "R-2," Residential District, 2.1 Applicable to the R-1 District, Special Exception and 2.2 Applicable to the R-2 District, Special Exception to allow a veterinary clinic by special exception in both the R-1 and R-2 District, as well as to amend the Table of Uses in Appendix A accordingly.

Amend section 2.02 "Words and Terms," to add a definition of the term "Veterinary Clinic," to read: "97. Veterinary Clinic: A building and/or other structure used by a licensed veterinarian solely for the practice of veterinary medicine, and not as a kennel," and to renumber the existing definitions in section 2.02 accordingly.
YES 605 NO 207

5. Are you in favor of adopting the following petitioned amendment to the Town of Auburn Zoning Ordinance:

Amend the Town of Auburn Zoning Ordinance, by Petition to eliminate excavation and soil removal as a permitted activity in the Rural District and as an activity permitted by special exception in the "R-2," Residential-Two District and to redefine the term "excavation and soil removal" and to establish general conditions for the use by the following amendments:

Amend Zoning Ordinance section 4.05 "R" Rural District, part 2, Permitted Uses, to delete subpart q. Excavation and Soil Removal, and to re-letter the remaining subparts accordingly.

Amend Zoning Ordinance section 4.06 "R-1", Residential-One District and "R-2", Residential-Two District, section 2.2, Special Exceptions, to delete subpart c. Excavation and Soil Removal, and to re-letter the remaining subparts accordingly.

Amend Zoning Ordinance section 2.02 Words and Terms, part 29 Excavation and Soil Removal by deleting the part in its entirety and replacing it with:

Excavation and Soil Removal: Excavation and/or removal of soil material shall be considered a commercial or industrial activity and shall include the removal of soil material such as loam, sand, gravel, or other fill material for sale, or for use in another location, as governed by the Town of Auburn Excavation Regulations. Excavation and Soil Removal as defined and regulated herein shall not include the excavation and/or removal of soil material incident to approved development activities.

Amend Zoning Ordinance Article 3 General Provisions, by adding a new section 3.22 as follows:

Excavation and Soil Removal: Excavation and Soil Removal is permissible as a commercial and industrial activity provided that a permit is issued pursuant to the Town of Auburn Excavation Regulations and Site Plan approval is secured from the Planning Board. No permit or Site Plan Approval shall be issued without independent studies confirming that the activity would have no negative impact on the surrounding area, evidenced by, but not limited to: a diminution in surrounding property values, unreasonable change in the character of the neighborhood, unreasonable acceleration in the deterioration of highways, creation of health or safety hazards, negative impact on water supplies including aquifers and aquifer recharge areas, negative impact on wetlands or other natural environmental conditions and where the activity would create a general nuisance.

(By Petition) **(Not Recommended by the Planning Board)**

YES 447

NO 386

.....
On Saturday, March 15, 2003, the Moderator, C. Donald Stritch, opened the reconvened meeting at 1:00 PM. There were 231 registered voters in attendance. Each voter was checked in on the checklist and given a voter ID card to be used when a hand count was called. The moderator gave the rules for the meeting.

Third: On petition of the Conservation Commission and at least (25) registered voters of the Town of Auburn; to see if the Town will vote to raise and appropriate up to the sum of Two Million dollars (\$ **2,000,000**) for the acquisition of conservation easements or open space lands by the Town, all for the permanent protection of appropriate undeveloped land in the Town of Auburn, and to authorize the Selectmen and Conservation Commission to act on behalf of the Town in connection with such acquisitions of conservation easements or open space lands pursuant to NH RSA 36-A, and to further authorize the issuance of not more than two million dollars (\$2,000,000) of bonds and/or notes in accordance with the provisions of the Municipal Finance Act (NH RSA, Chapter 33), and to authorize the Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine the rates of interests thereon. No such bonds shall be issued with a term of maturity of less than fifteen (15) years.

Provided further, that the Selectmen SHALL NOT ISSUE SUCH BONDS until such time as they have been presented to either an annual special town meeting, a warrant article asking the meeting to ratify, by a simple majority vote, the particular parcel and the parcel ownership interest chosen by the Conservation Commission and Selectmen for purchase and said meeting has approved such warrant article. **(Not Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (2/3 Ballot Vote Required)**

Article Three was moved by Deidre Cleary, seconded by Richard Vecchione. Deidre Cleary explained the article and answered questions. After a lengthy discussion, paper ballot voting began at 1:50PM. The polls remained open until 2:50PM. 231 voted, (154 for a 2/3 vote.) **Yes 158 No 73. Article Three passed.**

Fourth: To see if the Town of Auburn will vote to raise and appropriate the sum of Three Hundred Sixty Five Thousand dollars (\$ **365,000**) to add to the existing Capital Reserve Fund in accordance with RSA 35:5 for the closure of the Solid Waste/Incinerator site. The said funds will come from the Unexpended Fund Balance and will have no impact on the tax rate. **(Recommended by Board of Selectmen) (Recommended by the Budget Committee)**

Article Four was moved by Harland Eaton, seconded by Bruce Knox. Charles Kellett gave details on this article. He explained that no future funds will be needed. We need to expend this amount now in order to take advantage of a state grant that will expire in December 2003. There being no further discussion, vote was taken and **Article Four passed.**

Fifth: To see if the Town of Auburn will vote to appoint the Selectmen as agents to expend from the Solid Waste/Incinerator Site Capital Reserve Fund. **(Majority Vote Required)**

Article Five was moved by David Anderson, seconded by Harland Eaton. No discussion. Vote was taken and the moderator declared **Article Five passed.**

Sixth: To see if the Town of Auburn will vote to raise and appropriate the sum of One Hundred Thousand dollars (\$ **100,000**) to add to the existing Revaluation Capital Reserve Fund in accordance with RSA 35:5 for the on-going revaluation of the municipality. The said funds will come from the Unexpended Fund Balance and will have no impact on the tax rate. **(Recommended by Board of Selectmen) (Recommended by Budget Committee)**

Article Six was moved by Harland Eaton, seconded by Bruce Knox. No discussion. Vote was taken and **Article Six passed.**

Seventh: To see if the Town of Auburn will vote to raise and appropriate the sum of One Hundred Twenty Five Thousand dollars (\$ **125,000**) for "police outside duty detail". Said sum to be offset by revenue from organizations and businesses using the service and will have no impact on the tax rate. **(Recommended by Board of Selectmen) (Recommended by Budget Committee)**

Article Seven was moved the Police Chief Ed Picard, seconded by Richard Vecchione. Chief Picard explained the article. Vote was taken and **Article Seven passed.**

Eighth: To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand Six Hundred Eighty One dollars (\$ **27,681**) for the purpose of purchasing a new four wheel drive command vehicle for the Fire Department to replace the existing Chevy Blazer. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Eight was moved by Fire Chief Bruce Phillips, seconded by Lewis Theos. No discussion. Vote was taken and the moderator declared **Article Eight passed.**

Ninth: We the undersigned residents of Auburn, NH strongly support this Warrant Article to see if the Town will vote to authorize the Selectmen to convey a conservation easement to the Rockingham Conservation District or other appropriate conservation organization, on the Town land situated on Map 2 Lots 6, 7-3, 3-4, and 10 in order to permanently protect said areas for nature study and recreation, and to enhance and maintain the scenic, wildlife and open space that are an intrinsic part of Auburn's valuable rural character for the benefit of the Town of Auburn and its citizens. **(Not Recommended by the Board of Selectmen) (Majority Vote Required)**

Article Nine was moved by Duffy Smiley, seconded by Sue Jenkins. Duffy Smiley spoke to the article showing maps to the assembly. Robert Hayes asked to hold the vote for seven minutes until the results of Article Three were available. The moderator asked the voters, and the majority did not want to wait. Alan Cote moved the question, seconded by Christine Khan. Motion to cease discussion and vote on article passed. Vote was taken on Article nine and the moderator declared **Article Nine passed.**

Tenth: We the undersigned residents of Auburn, NH strongly support this Warrant Article to see if the Town will vote to reclassify the portion of Nutt Road, presently a Class VI road, from Steam Mill Road to Wilson's Crossing Road to a Class A Municipal Trail under RSA 231-A. **(Not Recommended by the Board of Selectmen) (Majority Vote Required)**

Article Ten was moved by Duffy Smiley, seconded by Sue Jenkins. Deidre Cleary and Duffy Smiley answered questions. The Town could at a later meeting change the classification of this portion of Nutt Road. Hand count was taken: **Yes 122, No 70, Article Ten passed.**

Eleventh: That we, the citizens of AUBURN, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

Everyone, including the self-employed, unemployed, un-and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;

Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;

Everyone receives high quality care that is cost efficient and medically effective; and

That these efforts help control the skyrocketing cost of health care.

The above (By Petition) resolution is non-binding and represents no fiscal impact.

There being no petitioners present, the moderator asked the selectmen to move the article in order to put it on the floor. Article Eleven moved by Harland Eaton and seconded by Bruce Knox. Vote was taken and **Article Eleven was defeated.**

Twelfth: To hear the report of the Budget Committee and to see if the Town will vote to raise and appropriate the sum of **Two Million Six Hundred Fifty Five Thousand One Hundred Seventy Eight dollars (\$ 2,655,178)** to defray Town operating charges and legal obligations for the ensuing year, non-inclusive of the above warrant articles.

Article Twelve was moved by Bert Ouellette and seconded by Kathy Sylvia.

Everett Harriman moved that the town budget be increased by one thousand six hundred dollars (\$1,600) for the purpose of designing and establishing an Internet Web Site for the town of Auburn. This amount of money will provide for updating the information on the web site at appropriate intervals for a one year period. It is projected that the future annual cost to maintain the web site will be approximately one thousand dollars (\$1,000). Discussion ensued. Bruce Phillips moved to vote on the question. Seconded by Sue Jenkins. Vote to cease discussion and vote on amendment to Article Twelve passed. Vote was taken on amendment of \$1,600, the moderator declared the amendment passed.

There being no further discussion, vote was taken on Article Twelve as amended for a total of **Two million, six hundred fifty six thousand, seven hundred seventy eight (\$2,656,778)** The moderator declared **Article Twelve passed.**

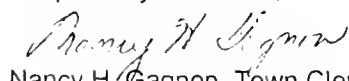

Thirteenth: To transact any other business that may legally come before the Town Meeting.

Selectman Eaton thanked all the volunteers on the many town boards and committees for their dedication to the town of Auburn. He asked all volunteers to stand. He also thanked Dale Phillips for her help on the revaluation and her courteous service to each person requiring information at the town hall.

Harland then mentioned the following persons who have served the town of Auburn and are leaving their positions: Eva Lunnie, Tax Collector for 17 years. Joseph Stacy, Highway Agent for 25 years. Aldis "Skip" Christie, Police Commission for 15 years. The assembly gave them a standing ovation!

Motion to adjourn by Alan Cote, seconded Sue Jenkins. Meeting adjourned at 3:45PM

Respectfully submitted,

Nancy H. Gagnon, Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Auburn
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Auburn, New Hampshire as of and for the year ended December 31, 2002 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Auburn as of December 31, 2002, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Auburn taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Auburn. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

AUBURN ANIMAL CONTROL ANNUAL REPORT 2003

Our town dog population continued its rise with 964 registrations in 2003. Again, we would like to remind you that your dog must be registered by April 30th and have a current rabies vaccination. Citizens may register their dogs by mail if they so desire, just provide the necessary information and fee. This will prevent a late penalty of \$25.00.

Numerous dog bites have occurred this year and is a very serious problem. It is the responsibility of the dog owner to know if their dog threatens or chases people walking, jogging or riding bicycles on our town roads. We all know many dogs are very defensive of their territory and can terrify an unsuspecting individual. Additionally, children may be seriously injured and traumatized when attacked by a dog. Homeowners are legally and financially responsible for any medical expenses caused by their animals. You might want to check your homeowner insurance to see if it covers such events.

Most everyone heard about the wayward cow this summer. It evaded many capture attempts as it wandered the fields and woods for about two months. It finally decided, on its own, to return home, so everything ended well.

Many citizens have experienced problems with our wildlife. Squirrels, skunks and raccoons getting into buildings and chimneys can be dangerous and destructive. Installing chimney screens and blocking entrance holes before the breeding season begins is a must.

It has been a pleasure working with the townspeople of Auburn. In all cases, the well being of the animals has been first priority. Isn't it wonderful to be living in a small rural community where this attitude is still prevalent? Working together, as neighbors have done, continues to make Auburn the place to live and work. I thank you all for a great year.

Jarlene Cornett
Animal Control Officer

BUILDING INSPECTOR ANNUAL REPORT 2003

The Town of Auburn Building Department saw a significant increase in the total numbers of building permits issued in 2004. There was a 36% increase in the number of new home permits issued during the 2003 calendar year. (45 new home permits issued, up from 33 in 2002).

We also experienced a 22% increase in the total number of permits issued for all other improvements. This is a 51% increase in permits issued if compared to 1999 – 4 short years ago.

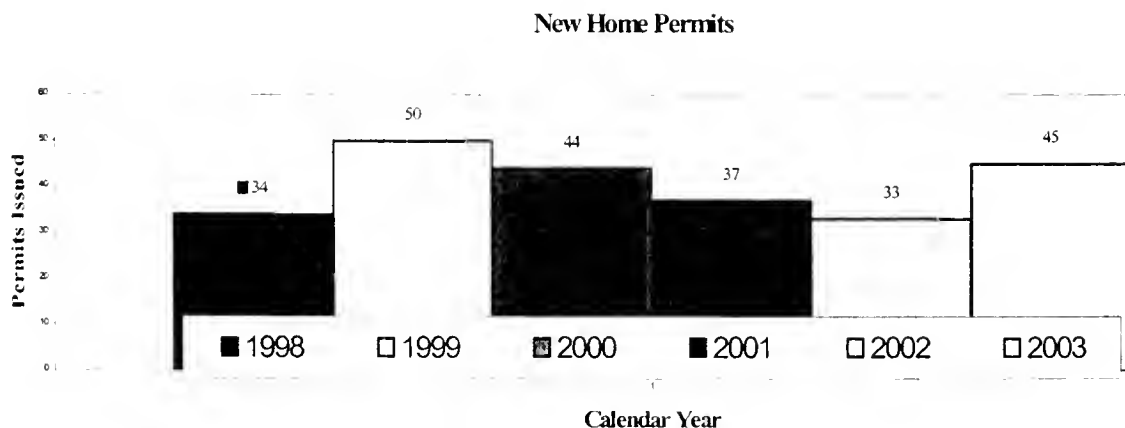

Total revenue generated through the issuance of permits in 2003 was \$38,867.18.

It is evident that Auburn continues to grow in both the number of households and additional value to existing properties as homeowners take advantage of low interest rates and home equity loans to make improvements.

Residents are reminded that permits are required before beginning any construction, alteration or repairs other than normal maintenance. Permits are required for new structures including sheds and above ground or on the ground swimming pools. It is suggested that you call or visit the building inspector's office if you have any questions. Our office is now located on the basement floor of the Town Hall Building. Office hours are Tuesday, Thursday and Friday mornings from 8:30 – 12 noon. Inspections are conducted on those afternoons.

Respectfully submitted,

Carrie Rouleau-Cote
Building Inspector/Code Enforcement Officer
Town of Auburn, New Hampshire
483-5052 ext. # 3

AUBURN CONSERVATION COMMISSION ANNUAL REPORT 2003

This past year was an exciting and busy one for the Conservation Commission. We have pursued new conservation land for the Town, secured conservation easements for the Town land and Trails, are mapping prime wetlands, working with UNH and Southern New Hampshire Planning Commission for new Granite mapping and monitoring new and ongoing residential development.

In response to citizens' concerns about the rapid residential development and subsequent population expansion in our Town, we proposed and passed a 2 million dollar bond to buy development rights from willing owners of large tracts of land. Open space is a hot commodity in Auburn and you folks let us know that you didn't want to watch it disappear. The Open Space Committee continues to work to select suitable development rights to pursue with the bond. This is a laborious effort and the committee is working diligently to make sure your money is spent wisely. With luck, you will be voting to decide whether to purchase development rights to land in Auburn very soon. If not, don't lose faith, this process takes time.

The Conservation Commission also authored and passed two warrant articles noted on at Town Meeting, the vote to change the Class VI portion of Nutt Road into a Class A Municipal Trail and the abutting Town land into Conservation land.

Protecting the desires of the voters turned out to be another arduous task. Although the citizens made their choice evident by their votes, the Selectmen and Planning Board challenged the citizens' decision in a series of debates. The Conservation Commission and concerned citizens had to fight long and hard to make sure that the Nutt Road portion voted by citizens to be a Class A Municipal Trail was not developed. The pro-development factions of Town government tried to secure the paving of the road, but for the time being, the Class VI portion of Nutt Road will remain a Trail.

We are also working to make the Town land that was voted into conservation, permanent and official with a binding easement. The Rockingham County Conservation District will be the easement holder, which means they will be responsible for monitoring the property. They are a great group of people who have the conservation interests of New Hampshire at heart.

Conservation Commission members regularly attend the Planning Board and Selectmen meetings to keep abreast of the issues. Then they report to our Commission where we all work to provide recommendations to these other departments about environmental topics. The Commission is always concerned about excavation permits and cluster subdivision proposals. These subjects require diligent observation; many subdivision proposals are complicated and include waivers to environmental and open space regulations. We offer suggestions to the Planning Board, developers and landowners to help them achieve their goals, while monitoring the detrimental impacts to the environment.

In 2004, as we look for land to conserve, our Commission will continue to keep the Town aware of issues that will affect the rural character and way of life in scenic Auburn.

Jarlene Cornett, Chairman
Auburn Conservation Commission

**CONSERVATION FUND
CASH BALANCE REPORT 2003**

Balance January 1, 2003	\$ -0-
Transfer from General Fund	\$ 94,000.00
Interest Earned	\$ 65.04
Less Disbursements	\$ -0-
Balance December 31, 2003	<u><u>\$ 94,065.04</u></u>
Bank Balance per Statement	<u><u>\$ 94,065.04</u></u>

Thirteenth: To see if the Town will vote to authorize the conservation commission to create a Conservation Fund as authorized by RSA 36-A:5 I, and to see if the Town will vote to deposit 50% of the revenues collected from the "Land Use Change Tax" pursuant to RSA 79-A into the Conservation Fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II for the preservation and protection of open space (undeveloped land) through the acquisition of conservation easements or title to land and for any associated costs. **(Recommended by Board of Selectmen)** (Majority vote required)

Paul Raiche, Chairman of the Conservation Commission, moved Article Thirteen. Robert Hayes seconded the motion. Jeffrey Porter moved to amend Article Thirteen to read "100% of the revenues collected from the Land Use Change Tax". Amendment seconded by Paul Raiche. Discussion ensued and Vincent Galvin moved to vote on the amendment. Susan Jenkins seconded. Motion to end discussion and vote on the amendment passed. Hand vote on amendment to Article Thirteen was taken. The moderator, being in doubt, asked for a hand count. Results were Yes 93, No 82. Amendment to Article Thirteen passed. The moderator called for a vote on Article Thirteen as amended and **Article Thirteen as amended passed.**

AUBURN DEVELOPMENT AUTHORITY
ANNUAL REPORT 2003

2003 saw renewed activity with respect to further development of the old rifle range property. A new warehouse building was granted approval on lot 6A. The building will be adjacent to an existing warehouse. A purchase and sales agreement has been signed for Lot 10 for an additional office building.

We have now completed three years of the five-year development program. As you may recall, shortly after the property was sold PD Associates the country entered into a recessionary period. Consequently, a lot of time was lost in the expansion and development of the project. The economy is definitely on the mend and renewed interest in the project is increasing. Hopefully, the year 2004 will see a greater expansion and development of the land.

The ADA will continue working closely with PD Associates and Prudential Verani Realty in an effort to market and develop the rifle range property so as to substantially enhance the tax base of our community through the addition of commercial and industrial development in the area.

Respectfully Submitted,

James Headd President, Auburn Development Authority

FRIENDS OF THE AUBURN LIBRARY ANNUAL REPORT 2003

The Friends of the Auburn Library is a non-profit group dedicated to support the library through volunteers and fund raisers. We meet at the library on the 2nd Thursday of the month at 7 p.m. There are no meetings in November and December.

The Friends had hosted the 2nd annual Photo Contest in 2002, with the awards ceremony on January 24, 2003. The theme was "Visual Images of Auburn". Prizes were given to three age categories. Out of the 46 entries all pictures entered were winners, making judging difficult. Many thanks to all who entered as well as our independent judges. The 3rd annual contest began in 2003, with the awards ceremony in January 2004.

Museum passes are purchased annually by the Friends for the use of all library card- holders. This year we purchased passes for Science Enrichment Encounters, Currier Gallery of Art, the Christa McAuliffe Planetarium in Concord and the Millyard museum in Manchester.

In February we host "Love Your Library". There is a drawing for four age groups with an entry given for each library visit. The more times the patron visits, the more entries they get. We purchase a book for each age group, and a winner is drawn from the entries of each group.

Yankee Magazine remains a significant fund- raiser for us. Because we receive many subscriptions, Yankee invites us to sell at various events. This year we sold subscriptions at the Boston Flower show in March and the Eastern States Exposition in Springfield in September. At our own expense we travel to the events and sell subscriptions. For anyone who renews through us, Yankee donates half the subscription price of what we sell to the Friends. We did well with our profits and were able to purchase a new library sign. Another fundraiser that we have is holiday fudge, which is made and sold by the Friends. It is made for both Thanksgiving and Christmas. We will continue to offer our canvas book bags with the Friends logo at \$12.00 each.

Just to outline some other events: We hosted two craft classes this year- Ukranian Eggs and Velvet purses. An open house was held at the library in May to celebrate the addition and to thank all those who helped make it possible. The Building Committee's annual book sale was held in August, which the Friends helped with. We hosted a bake sale, sold Yankees and book bags. Our Friends Flyer was updated to include three membership levels. The Friends organized a Book Discussion Group, which started in December. We also continue to deliver Welcome bags to new residents (containing town information) and Baby bags to new arrivals. Both bags contain library and Friends information.

Through our volunteer efforts and the help of the citizens of Auburn, we hope to continue as a group to support the library where needed. New members are needed and always welcome.

Respectfully Submitted,

Friends of the Library

**GRIFFIN FREE PUBLIC LIBRARY
ANNUAL REPORT 2003**

The year of 2003 brought us to completion on the renovation and addition to the existing library. We celebrated by holding a well attended open house in May to show off the results of five years of hard work. After the hustle and bustle of the past years, we are now concentrating on the more mundane but important issues of library organization.

Three new part time employees have joined the staff; they have helped immensely with assisting patrons, organizing the book collection, and with the everyday running of the library. According to Library Director Edie Cummings, the bar-code project is nearly 75% completed. Bar-coding every book is a tedious and slow process, however when the system is in place it will electronically catalog the library collection, making all library services more efficient. Circulation for 2003 was 16,847; 80 new families have become patrons with over 1,435 cards issued.

The Friends have purchased a new book cart to assist the library staff with replacing returned books. The Friends are also responsible for the impressive new library sign in front of the building; made from durable material it should last for a long time.

In the children's room new shelving has been added to help to display some of the seasonal books for children. Speaking of books, the library now has all of the "Great Stone Face" and "Lady Bug" series. These books are recommended by librarians and are primarily written for school aged and pre-school aged children.

Story time is growing in leaps and bounds; we thank Nancy Pelton for her dedication and creativity with the program on Tuesday afternoons. Edie would like to eventually extend the program to Friday mornings. The summer reading program this year was "Reading Rocks." Leeann Chase led 25 participants through a fun filled reading and crafts experience that reflected the theme.

Our fundraisers continue to be the very popular Multi-Media Book Sale held every July and Breakfast with Santa in December. Both were very well attended this year.

Conferences attended by Edie Cummings this past year were NHLA-NHEM, CHILIS Association, and NELA. The trustees attended the NH Trustee Conference in Concord last May. The trustees have set two objectives this year, 1. To concentrate on writing policies to continue to improve library services. 2. To catalog and identify the pieces that belong to the Griffin Museum.

As always we want to thank the community for your patronage whether you are a volunteer, support the fundraising events, or visit the library.

Respectfully submitted,

David Griffin

AUBURN HEALTH OFFICER ANNUAL REPORT 2003

This past year, I the Health Officer spent the usual amount of time doing daycare/preschool inspections and home inspections for potential foster and adoptive parents. Good luck to those people hoping to bring children into their lives.

There were several failed septic systems, a landlord/tenant dispute, and some contaminated well problems. Please remember to pump your well, and have your water tested regularly. This can ensure that you are always drinking the cleanest water possible.

I attended several seminars, and the health officer's annual meeting. Some of the topics covered included New Hampshire Green Yards (formerly known as junk yards), soil properties in respect to septic systems, and bio-terrorism.

I also took several calls that in the end seemed to stem more from sour grapes than legitimate problems. I strongly suggest we all try to get along with our neighbors first before we bring our perceived problems to the Town. Many times things that seem so aggravating could be worked out with a little compassion and conversation between one another. Have a good year.

Duffy Smiley
Health Officer

HIGHWAY SAFETY COMMITTEE ANNUAL REPORT 2003

The Highway Safety Committee meets on the third Tuesday of each month at the Auburn Town Hall, and is made up of volunteers, and representatives from the Selectmen's office and the Police Department. During 2003, the Committee worked with the Road Agent, the Town Engineer, Kevin Dandrade, and the Board of Selectmen's office to alleviate concerns at the intersection of Coleman Road, Dearborn Road, and Chester Turnpike (the "five corners"). Residents were present at the meeting and worked with the Committee and elected officials to improve road conditions at this intersection. Brush was cut and road signs were installed to help with sight distance and traffic awareness. The Committee also performed a road sign survey this year, and provided a list of missing road signs to the Road Agent, as well as a road survey, where each road was driven by a member of the Committee and deteriorating road conditions noted. A complete list of current road concerns will be presented to the Board of Selectmen and the Road Agent during the early part of 2004, to assist with future reconstruction planning. The Committee also acted as an intermediary for several concerns regarding road icing, curve delineations, and line of sight issues.

Feel free to attend the meetings or to get in touch with any of the Committee members with any concerns or comments.

**AUBURN PLANNING BOARD
ANNUAL REPORT 2003**

The year 2003 proved to be another busy year for the Planning Board. The Board added two new alternate members this year, each adding their own special skills to the Board. Alan Cote brings a wealth of experience and in-depth knowledge of civil planning from his position as the Derry Highway Department Superintendent of Operations. Joe Wisieinski also compliments the Board with his legal background.

The all volunteer board held 35 Planning Board Meetings this year.

Members of the Board	Term Expires:
Russell Sullivan – Chairman	2005
Stoney Worster - Vice Chairman	2004
Jim Tillery	2006
Jim Fusco	2005
Carol Peterson	2006
Kevin Dandrade	2005
Alan Cote – Alternate	2006
Joe Wisniewski – Alternate	2006

In 2003 the Board approved the following:

- 6 Bond Releases
- 2 Forestry Management Plans
- 5 Site Plans
- 3 Subdivisions
- 3 Voluntary Lot Mergers
- 8 Setbacks from wetlands
- 2 Lot Line Adjustments

The board welcomes resident input at meetings and wants everyone to know that all of our meetings are open to the public. Anyone may attend any meeting whether they are an abutter or just an interested resident. For general questions call the office at 483-5052 and talk to our assistant.

Respectfully Submitted

AUBURN POLICE DEPARTMENT ANNUAL REPORT 2003

During the year of 2003 our officers worked very hard which is evident in the 8456 calls for service. This is a marked increase from the 8000 calls for service in 2002. The numbers indicate a variety of trends occurring with the Auburn Police Department.

First, the personnel stability we are experiencing has created consistency on the road in terms of visibility, and rapid response to calls for service. We lost one full time officer, Roland Collins, who went to the Bedford Police Department. Also, Officer Dan Wade resigned. Officer Wade has been on and off regular military duty since the September 11, 2001 attacks on our Country. Initially he spent a year at the Pentagon, and during the 2003 year he has had many varied duties which have taken him away from New Hampshire. He finally decided that he was no longer being of service to the Town of Auburn and resigned. Officer Collins and Officer Wade are valuable police professionals, and they will be missed here in Auburn.

Other personnel movement has mostly involved one man, Officer David Fletcher. Dave came to us as a part time officer after he had spent eighteen years as a full time Derry officer. When Officer Collins left, Officer Fletcher became a full time Auburn officer. He soon found out that his life long dream to fly commercial jets was about to happen. He is now in training on his new "bird", and returned to his original part time officer status.

To bring us back to a full compliment of full time officers, the Town of Auburn hired Officer Charles "Chip" Chabot. Chip is a veteran of about thirteen years with the Hooksett Police Department. We are now benefiting from the addition of three very seasoned law enforcement professionals from our neighboring town.

Second, because of the increase in traffic enforcement, we have enjoyed another year of the burglary rate dropping. In 2001 we had thirty burglaries, in 2002 we had sixteen burglaries, and now in 2003 we have just twelve burglaries. The traffic enforcement in fact helps in reducing the burglaries because of the visibility of the officer on the street.

Our police department continues to enjoy a great relationship with many law enforcement agencies. This year we added to that list by interacting with the Department of Alcohol, Tobacco, and Firearms (ATF). One thing that must be noted this year is the number of times our officers have been called on by other agencies to assist them. In 2002 we had 364 assists to other agencies, and in 2003 that number grew to 422. That is one way we measure our relationships with these law enforcement agencies. It also shows the respect they have for the officers of the Auburn police Department.

The Auburn Police Department members are here to serve the citizens of Auburn, and will continue to do so in a professional manner. We urge you to stop by the safety complex and meet some of the officers, and to see the facility you were so generous to grant us.

RECREATION COMMISSION ANNUAL REPORT 2003

The Recreation Commission began the year with a limited committee. The positions vacated in 2002 by commissioner Gail Clark and secretary Elizabeth Robidoux went unfilled. We also lost the valuable services of commissioner Stan Lewis. By years end, Steve Gelinis and Dave Olivier were added as commissioners and Terri Lavoie was hired by the selectmen as our much-needed secretary. This helped to alleviate the workload for veteran commissioners Ruth Martin and Bob Collins.

The commission continued its support of the after-school ski program. The program provided younger and older children of Auburn, the opportunity to ski at McIntyre and Pat's Peak ski areas. With the help of the Volunteer Fire Department and others, we also continued to provide a place to enjoy the outdoors, the Town Ice Rink. Here young and old alike could ice-skate and play ice hockey. In March, "The Town of Auburn Community Service Award" was posthumously presented to Clint Robinson. His wife Valerie accepted the award from the selectman.

In the spring, with the help of volunteers from the Auburn Little League, work continued on the Multi-purpose Field at Sandy Acres. More material was added to the infield and outfield and benches were added to the dugouts. Although not completely finished the field was used during the baseball season. The Farm Field also received extensive attention in the way of additional materials. Seeding, fertilizing and general maintenance was applied on all the fields. Playground equipment was moved from the far end of the park where it was seldom used, to a central location, where many youngsters enjoyed it. The Auburn Little League put all the fields to good use, as over two hundred Auburn children from ages five to fourteen played baseball and softball from April until August. The towns Senior Citizens' first trip of the year, organized by commissioner Ruth Martin, took them to Pickity Place in Mason NH. Here they enjoyed a lovely five-course gourmet luncheon in a colonial period setting complete with waitresses dressed in costume. Their next stop was Manchester NH and the Mill Yard Museum, where they experienced what life was like for the mill workers. General consent was that the Museum was very informative and interesting.

Once again the Recreation Commission oversaw the lawn-mowing and portable toilet contracts for the town and handled all related issues. The seniors' summer trip was to Fuller Gardens in North Hampton, NH. Other than the unexpected shower, (as a result of the sprinkler system not being turned off!) all enjoyed the beautiful gardens. They continued up the coast to Yokens Restaurant in Portsmouth, where they relaxed to a plentiful and delicious fish or turkey dinner.

As summer turned to autumn, the commissions' support turned to soccer. The soccer program run by Chris Webster of the Manchester YMCA enjoyed a successful season with participation of over one hundred and fifty Auburn children. Volunteers from Auburn Little League provided most of the labor for Fall Cleanup at Sandy Acres, and work continued on the Multi-purpose field, with the addition of the outfield fence. With remaining work scheduled for the spring of 2004, the Multi-purpose field will be complete! We supported the maintenance and safety

certification of the Circle of Fun playground, which is overseen by Kathy Boisse. The Town Ice Rink area was mowed and cleaned up in preparation for another season of skating. The commission supported the Auburn Recreational Basketball League. The league serves over one hundred and fifty Auburn boys and girls, providing them an environment to learn and enjoy basketball. Ruth Martin organized the seniors' final trip of the year to the Wright Museum in Wolfborough, NH. Housed in a two-story building, this WWII museum with numerous interesting displays brought back memories for many in attendance. Lunch for this trip was served at Harts Turkey Farm, where forty-three hungry travelers from Auburn enjoyed a delicious meal. The trip concluded with a guided tour at the Christa McCauliffe Planetarium.

Members of the Auburn Recreation Commission:

Commissioners: Dave Olivier, Chairman
 Ruth Martin
 Bob Collins
 Steve Gelinas

Board of Selectmen: Dave Anderson, Rep.

Secretary: Terri Lavoie

October 30, 2003

Harland Eaton, Chair
Auburn Board of Selectmen
P.O. Box 309
Auburn, NH 03032

Dear Mr. Eaton,

Please accept this letter as Rockingham Community Action's (RCA) preliminary request for funding from the town of Auburn for our 2004/2005 fiscal year.

As a non-profit, multi-service agency, RCA provides a wide range of services that together meet the most essential needs of the county's low income residents. We are currently in the process of compiling our annual statistical report of the services we provided from 7/1/02 to 6/30/03 to each community in Rockingham County, including the town of Auburn. We will forward the report to you as soon as it is completed. For your reference, we are enclosing a report of our services for the previous year and an information sheet and key that describes each of the services presented in the report.

Since RCA's services greatly relieve communities of the full financial burden of addressing the needs of their low-income residents, we ask every community in the county to support our agency based upon the level of service we have provided to its residents. The amount we request equals a percentage of the total dollar value of services we provided during the previous year.

Given that our Annual Service Statistics Report is not ready at this time, we are submitting a preliminary estimated request of \$3,833.

We realize how difficult it is for the town to provide financial support to human service agencies during a period when you are struggling to curb municipal spending. We are requesting funding despite this because we know that every dollar you contribute to Community Action results in a far greater savings to your town's welfare budget. Our proven ability to mobilize local, state, federal and private resources to comprehensively address poverty-related issues enables us to provide more of an impact in services per dollar than the same dollar spent through a direct local welfare grant.

Unlike single-purpose agencies that provide one type of service to the community, Rockingham Community Action's mission and scope is broad: to assist people already

7 Junkins Avenue • Portsmouth, NH 03801-4511
TEL: 603-431-2911 • FAX: 603-431-2916
Client Access No. 1-800-556-9300

living in poverty with direct services, to prevent more families from falling into poverty, and to assist families in finding long-term solutions to their economic needs so they can eventually become self-supporting. As a multi-service agency, we are able to keep administrative expenses extremely low and provide a wide range of services for the least possible cost.

As an agency that operates a large number of services under one umbrella, we seek funding from many different types of sources, including municipal funding, and put the funds together in a way that enables us to bring comprehensive, integrated services to residents of Rockingham County. Despite the overall size of our budget, none of our programs, including state and federally funded programs, is self-supporting. We need financial support from many different sources to supplement program funds to operate our programs. Our funding sources realize that we need to seek additional sources of revenue to adequately operate these programs. In fact, most of our funding sources expect us to raise local funds, and some funding sources require us to seek local matches.

We choose to direct the funds raised by Rockingham County municipalities to our Outreach Program, as our Outreach Program has no significant federal, state or private funding. Support for our Outreach Program strengthens our entire agency and all of the services we provide.

We need the financial support of every community in Rockingham County to continue our work. Your support is critical to the continuance of our Outreach Program and to the broad range of services our agency provides to your residents.

Please direct all correspondence and requests for information concerning our funding request to me at the above address, telephone number or to Jane Keay, Outreach Center Director of Greater Salem Community Action Center, at 893-9172.

On behalf of our Executive Director, Steve Geller, and the RCA Board of Directors, I thank you for your consideration of our funding request.

Cordially,

A handwritten signature in black ink that reads "Amy Mueller-Campbell". The signature is written in a cursive, flowing style.

Amy Mueller-Campbell
Outreach Director

ROCKINGHAM COMMUNITY ACTION
INFORMATION SHEET AND KEY TO STATISTICAL REPORT
July 1, 2001 - June 30, 2002

ROCKINGHAM COMMUNITY ACTION (RCA) is a private, non-profit organization that has been serving residents of Rockingham County for over 35 years. Our mission is to prevent, reduce, and work toward the elimination of poverty.

We provide a wide range of services that are unduplicated elsewhere in the county. Many of our services meet immediate, critical needs, while others are designed to provide families with the tools and resources to achieve long-term economic self-sufficiency. Our efforts are conducted through outreach and program offices in Derry, Exeter, Portsmouth, Raymond, Salem and Seabrook, as well as intake, clinic and distribution sites in over half of the county's thirty-seven communities. The services provided by Community Action during the past year include:

1. **FUEL ASSISTANCE PROGRAMS:** Provide grants to households to assist with energy-related expenses through the Fuel Assistance Program (some households also received furnace cleaning, budget and energy counseling, and elderly support services); provides grants of up to \$300 for fuel and utility emergencies for households not eligible for the Fuel Assistance Program through the Neighbor Helping Neighbor and Senior Energy Assistance Service.

KEY TO REPORT: Number of households served
2. **WORKFORCE DEVELOPMENT:** Is the umbrella for a variety of programs designed to foster long-term self-reliance: Disadvantaged Adult and Dislocated Worker Programs; COMPASS Adult and COMPASS Youth; Welfare to Work; The Employment and Education Marketplace; and Wheels to Work. Each component helps clients determine goals and develop strategies to overcome barriers to employment. Wheels to Work offers affordable car ownership to low-income individuals moving from public assistance to the workforce.

KEY TO REPORT: Number of households served.
3. **HOUSING REHABILITATION & ENERGY CONSERVATION:** Through the Weatherization and Energy Management Programs, provides high quality energy conservation materials and skilled labor to weatherize the homes of low-income and high energy-using households to reduce heating costs and conserve energy, and provides major repairs or replacement of heating systems for low-income homeowners

KEY TO REPORT: Number of households served.
4. **FAMILY CHILD CARE (Child Care Food Program):** Provides services that assist family child care providers and benefit the children in their care, including training, technical assistance, and sponsorship of the USDA Child and Adult Care Food Program.

KEY TO REPORT: Number of children and child care providers served.
5. **CHILD CARE RESOURCE AND REFERRAL:** Maintains inventory of all available child care options, provides child care referrals to employees of participating companies and the general public, and expands the supply of quality child care by recruiting, training and assisting new child care providers, including the training of TANF participants.

KEY TO REPORT: Number of children referred and the number of providers recruited, trained and/or assisted.
6. **WOMEN, INFANTS AND CHILDREN (WIC) / CSFP:** Provides supplemental nutritious foods, nutrition education, breast-feeding support, and health care screening / referrals to pregnant women, nursing mothers, infants, and children up to age 5 through WIC; provides monthly allotments of commodity foods and nutrition education materials to senior citizens, postpartum women, and 5-year old children through the Commodity Supplemental Food Program (CSFP).

KEY TO REPORT: Number of women, infants, children and senior citizens served.
7. **LITERACY SERVICES:** Provide high quality books and other literacy services to low-income pre-school children and their families through the library-based Gift of Reading book distribution and the Tales to Go traveling literacy and arts van, and provides adult basic education services through the Portsmouth Adult Basic Education Program.

KEY TO REPORT: Number of individuals served.
8. **HEAD START:** A comprehensive early childhood development program that provides education, health, nutrition, disability, and family support services to low-income pre-school children and their families.

KEY TO REPORT: Number of children served.

ROCKINGHAM COMMUNITY ACTION **INFORMATION SHEET AND KEY TO STATISTICAL REPORT - PAGE 2** **July 1, 2001 - June 30, 2002**

9. **HOMELESS OUTREACH INTERVENTION PROGRAM:** Conducts outreach in areas frequented by the unsheltered homeless and assists the homeless with identifying shelter needs, arranging emergency transportation to shelters, and assisting shelter providers in arranging alternative shelter.

KEY TO REPORT: Number of households served.

10. **HOUSING REFERRAL NETWORK:** Provides housing counseling and referral services to households seeking housing, with priority given to families with minor children.

KEY TO REPORT: Number of households served

11. **EMERGENCY FOOD ASSISTANCE PROGRAM:** Distributes USDA surplus food to participating homeless shelters and emergency food pantries.

KEY TO REPORT: Number of individual food allotments provided.

12. **EMERGENCY FOOD PANTRIES:** Four emergency food pantries, located in our Seacoast, Raymond, Salem and Derry Outreach Centers, provide emergency food allotments to households facing severe economic hardship in areas in which other locally-based emergency food pantries are understocked or unavailable.

KEY TO REPORT: Number of household food allotments provided.

13. **PERSONAL CARE PROGRAM:** Provides allotments of personal care items, including basic cleaning supplies and personal hygiene items, to households facing economic hardship.

KEY TO REPORT: Number of household allotments provided.

14. **SECURITY DEPOSIT LOAN FUND:** Provides no-interest loan guarantees for security deposits to low-income households for up to 80% of the required security deposit, to a maximum of \$500.

KEY TO REPORT: Number of households for which security deposit loan guarantees were issued and/or actively maintained.

15. **CRISIS SERVICES:** Provide emergency grants to low-income households for the payment of rent, mortgage, electricity, fuel, or other basic necessities for households facing evictions, foreclosures, utility terminations, lack of fuel, or other emergencies through various Crisis Programs; components include Homelessness Prevention Program and small privately-funded grant projects.

KEY TO REPORT: Number of households served.

16. **EMERGENCY RESPONSE SYSTEMS:** Install and maintain emergency response systems for disabled individuals in order to ensure their safety and maintain their independence and quality of life by providing immediate access to emergency medical responders.

KEY TO REPORT: Number of households served.

17. **HEALTH INSURANCE COUNSELING EDUCATION ASSISTANCE SERVICE:** Provides the services of trained volunteers to assist Medicare recipients with a wide range of health insurance needs, including supplemental health insurance options and Medicare and Medicaid benefits and claims.

KEY TO REPORT: Number of individuals served.

18. **OUTREACH CENTER SERVICES:** Include a wide range of services provided by Outreach Center personnel, including information and referral, client advocacy, direct client assistance, crisis intervention services, and the coordination of community-based services.

KEY TO REPORT: Number of units of service (each representing one call or visit to, or a specific service provided by, an Outreach Center).

Rockingham Nutrition & Meals on Wheels Program

106 North Road Brentwood, N.H. 03833

Tel (603) 679-2201 Fax (603) 679-2206

August 15, 2003

Office of the Selectmen
Town of Auburn
P.O. Box 309
Auburn, NH 03032

Dear Selectmen:

The Rockingham Nutrition & Meals on Wheels Program respectfully requests funds from the town of Auburn to help in providing food to your elderly and disabled residents in need.

SERVICE FOR YOUR TOWN RESIDENTS:

Last year we:

- Fed 9 Auburn residents on a continuing basis,
- Provided the main meal 250 days of the year for many,
- Provided lunch and dinner 365 days of the year for the neediest,
- Provided about 1,275 units of Support Services,
- And served approximately 1,366 meals to Auburn residents.

MEETING A BASIC NEED:

"Many a day I would not eat - if it was not for Meals on Wheels."

Our function is feeding people: adults, primarily elderly people trying to remain in their own homes, recuperating from surgery or medical treatment (chemotherapy, dialysis, radiation) coping with chronic debilitating disease, episodes of acute illness, multiple health problems; or advanced age and frailty. We have age, disability, and/or income criteria that are adhered to before meals begin, and are reevaluated during service.

A FREQUENT FLEXIBLE SERVICE:

The Nutrition Program provides hot noon lunches at the Epping Community Church on Pleasant Street, 5 days per week and through that center, meals are delivered to local residents who are homebound.

Meals include an entree, two vegetables, bread, dessert, and milk; and meet 1/3 of the total caloric and nutritional needs of the day. Diabetic and salt-restricted substitutions are available. An average client can receive 250 meals per year, with blizzard bags (canned meals) for winter storm coverage, special frozen holiday meals, and even more meals if their situation warrants delivery of evening and weekend meals.

MORE THAN A MEAL, SECURITY

"I would like to let the public know how understanding the Meals on Wheels people are. They just don't cook and deliver meals; it's the smile, and someone checking in on shut-ins. Like this past Friday, when they brought my Dad his lunch. My Dad had thought he was coming down with a cold, the MOW people didn't agree, and called an ambulance. It was another heart attack. He's doing just fine. Again, my personal thanks to all of you."

Through the frequent home delivery, the older person is seen and helped, if needed in small ways: bringing in the mail, opening a jar; and in big ways: accidents, falls, and health crises.

An array of support services: information, referrals, activities, home visits, and transportation round out the services.

COST-EFFECTIVE RESULTS:

"We give grateful thanks for programs such as yours which allowed her to stay in her home right to the last."

Nutrition Programs in the home and community are a financially sound response to the greatly increasing number of elderly, some of whom require assistance to continue to remain at home.

And it's working! Our most recent tabulated survey with 327 homebound respondents:

1. Listed a satisfaction rate with the meals of 88% good to very good, and 11% acceptable.
2. Listed a satisfaction rate with the service of 82% very good, 16% good, and 2% acceptable.
3. It showed service going to a high need clients with 47% of the clients over 80 years old, 83% alone or living with their spouse, 86% responding that this was their main meal of the day, and 100% telling us that Meals on Wheels benefited their health, and helped them to remain living independently.

A SAFE INVESTMENT - Evaluation and Accreditation:

The Nutrition Program is overseen and assessed by the RNMOB Board of Directors. It is also monitored and evaluated regularly by all funders, including the most comprehensive by the New Hampshire Division of Elderly and Adult Services. We annually undergo and complete an independent audit conducted in accordance with Government Audit Standards issued by the Comptroller General of the United States, and the provision of the Office of Management Budget Circular A-133 Audits of Institutions of Higher Education and other Nonprofit Institutions.

REASONABLE REQUEST:

Last year, in Auburn we provided approximately 1,366 meals and about 1,275 units of support service for 9 Auburn residents. One resident can incur costs of \$1,685 for week day service to \$4,132 for all week service, for a year of service.

The Nutrition Program requests \$ in Town support, which is level funding.

TOWN SUPPORT MAKES A DIFFERENCE

Town support is important to the program in two very important ways:

1. It helps us make up the 30% difference per each meal, between what we are reimbursed for, and what the service costs. We must fund raise for every meal served, and in Auburn that was 1,366 meals.
2. And it helps us to feed clients who need and qualify for the service, but for whom we have no more contracted units, which last year amounted to 13,390 meals agency wide.

We have been serving Auburn residents since 1980, and continue to do so on a frequent basis, while meeting a basic need, and giving a good return for the Town's assistance: daily services Monday – Friday, all year to in need Auburn residents. We strive to do our best to keep our request reasonable, our costs under control, and our service good.

We appreciate what town funding will allow us to do in the Auburn area - continuing meals for those at risk in your community. Thank you for your consideration of this request and for your past support.

Sincerely,

Jaymie Chagnon
Program Administrator

AUBURN SENIOR CITIZENS' ANNUAL REPORT 2003

On our first trip last spring, our seniors headed West. We enjoyed a quick stop for coffee then we returned to our warm comfortable bus and headed to Mason, N.H. and Pickity Place. This is a very interesting restaurant for us. They were ready and waiting to serve us lunch. As we walked in, it was like walking in to yesteryear. In their cozy quaint dining rooms, the little tables were set as they may have been in colonial times. The waitresses dressed in colonial dresses. We enjoyed a 5 course gourmet luncheon, with a choice of turkey or vegetarian plates. Before and after lunch we shopped in their gift shop, green house, garden center and potted herbs shops. (bought a rag doll and stone candy, and some scented candles.

After moving the bus around in the parking lot in the woods, we headed for Manchester and the Mill Yard Museum. This museum is a great place to see what life was like in Manchester. The mill workers worked six days a week, twelve hours a day. We saw the looms that wove the cloth and pictures of the workers that operated them.

The mills provided places for them to live, hospitals, and churches for them. A company store was available for them to buy their clothes and shoes and food. I found the Mill Yard Museum to be very informative and interesting. As I left there, I felt very lucky to be living now in this day and age.

Our first summer trip was to Fuller Gardens in North Hampton, New Hampshire, and as promised, all the flowers were blooming. We arrived a little early but they let us in and they seemed happy to see us. Some of us were surprised by an unexpected shower as they forgot to turn off their automatic sprinkling system, but then Mother Nature took over and gave us a real rain shower. The sun came out and we enjoyed the beautiful gardens.

We went to Yokens on Route One in Portsmouth, the restaurant with the big whale sign, for lunch. When we arrived the tables were set and ready for us. The lunch was plentiful and delicious. We enjoyed our choice of fish or turkey diner there. Yokens has a nice gift shop and we browsed there for a bit also. I bought a New Hampshire dish towel.

size of the place, it is two stories high. I think I covered the whole thing. The displays were interesting and brought back a lot of memories for many of us. Our lunch was at Harts Turnkey Farm. They were very good to us considering that we were fifteen minutes late. Everything was delicious and plentiful. We had 43 travelers on that trip. We then had a surprise visit to the Christa McCauliffe Planetarium. We had a guided tour, they explained the history of this planetarium and we visited the gift shop there. We headed back to Auburn and the parking lot at St. Peter church. We were tired and ready to go home.

Watch for your April Town Crier for the announcement of our Spring trip to Shaker Village Museum. Their many interesting events will be planned and we'll have a lunch in their new Shaker Village Restaurant.

I hope all seniors enjoyed our three trips this past year.

Respectfully Submitted,

Ruth Martin, Recreation Commission

**SOLID WASTE COMMISSION
ANNUAL REPORT 2003**

Your Solid Waste Commission has been working with Waste Management of New Hampshire and the town's engineering representatives, Hoyle Tanner & Associates, as we implement the removal of the landfill on Chester Turnpike. The Board of Selectmen handled negotiations, chose the vendor, and awarded the contract. This project will be completed next spring when final grading and seeding occurs.

We will consider the relocation of the oil collection in the spring so as to help Waste Management manage that recycling effort.

When all is done, that facility, less the old closed landfill, should be available for inclusion into future plans of the town without limitations.

Respectfully submitted,

Charles Kellett, Chairman
Solid Waste Commission

Commission Members are: D. Anderson, D. Carpenter, A. Côté, C. Kellett, and R. Vecchione.

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help the dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of your appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of your Planning Board and/or the Board of Selectmen. The Commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps your officials apprised of changes in planning and land use regulation and, in conjunction with the New Hampshire Municipal Association, offers training workshops for Planning and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Co-sponsored the Municipal Law Lecture series. These meetings were attended by Auburn officials.
2. Conducted traffic counts at fifteen (15) locations in the Town of Auburn. Data was forwarded to the Chairman, Planning Board.
3. Forwarded to the Planning Department a copy of the *Regional Bicycle and Pedestrian Plan*.
4. Updated the Zoning Map for the town and forwarded two (2) copies to the Planning Board.
5. Provided a videotape of the discussion on the decision of the US Supreme Court on Tahoe Sierra Preservation Council, Inc., et al. vs. Tahoe Regional Planning Agency, et al.
6. Provided the Auburn Conservation Commission a set of documents pertaining to New Hampshire's Wetlands and Shorelands workshop.

Auburn's Representatives to the Commission are:
Charles M. Worster
James Fusco

Executive Committee Member: Charles M. Worster, Chairman

Since the passage of the Clean Water Act, the quality of waters in the United States has improved dramatically. However, in 1996, the National Water Quality Inventory showed that 40% of the waterbodies in the US were impaired by pollution and did not meet water quality standards. A major source of the impairment is polluted storm water runoff. The Storm Water Phase II Final Rule is the next step in EPA's effort to preserve, protect and improve the water resources. It is also intended to further reduce adverse impacts to water quality and aquatic habitat by the implementation of controls on the unregulated water systems, such as those contained within the urbanized MS4s. Two addenda, one for endangered species and the other for historic properties, were added to the final permit. The purpose of the addenda is to provide guidance for municipalities in determining permit eligibility regarding endangered species and historic properties.

On December 8, 1999, the Storm Water Phase II Rule was published and requires operators of Small MS4s within Urbanized Areas to develop and implement a Storm Water Management Plan. There are 3 general permits in NH: The Multi-Sector General Permit (industrial), the Construction General Permit, and the Municipal Separate Storm Sewer Systems (MS4) General Permit. On May 1, 2003, the EPA released the final rule on the General Permit MS4s. The Town of Auburn completed and submitted the Notice of Intent (NOI) before the deadline of July 30, 2003. Auburn does not fall under the criteria for a waiver as the urbanized area population, according to the most recent census results, shows greater than 1000 residents in the urbanized area. Auburn is required to create and implement a Storm Water Management Program which addresses six minimum controls, annually evaluate compliance to the Program, and the appropriateness of individual Best Management Practices (BMPs) under each control. Annual reports must be sent to the EPA and the NH DES outlining the previous year's progress in meeting measurable goals.

The six minimum controls contained within this program will be implemented over the next five years, which is the term of the initial permit. Compliance with this Permit is mandatory for the Town of Auburn and 44 other communities. Currently, there is no federal funding available to develop and implement the program. A committee, made up of Town staff and volunteers, has been formed to facilitate compliance with the Permit and to compile Auburn's program.

The Town is allowed to work with other entities, such as surrounding towns and the NHDOT, to implement the measures. When another entity agrees to implement a component of the program, a legally binding written acceptance of this obligation must be executed and maintained as part of the program. The Town of Auburn remains responsible for permit compliance and implementation of the measure if the other entity fails to do it. The Town of Auburn will work with NH DOT and Manchester Water Works to implement some of the minimum control measures. In addition, the town is required to ensure there will be no detriment to endangered species, or to historic properties as a result of storm water discharge. We encourage all residents to get involved. Information is available at the Town Hall.

VISITING NURSE ASSOCIATION
OF MANCHESTER & SOUTHERN NEW HAMPSHIRE, INC.
Serving the community since 1897

January 2004

Dear Residents of Auburn,

Thank you for your continued support in bringing quality, affordable home health & hospice services to residents in Auburn. It is a pleasure to know that you support our mission of improving the health & well being of our community.

In January of this year I was fortunate to attend a meeting of home health leaders from across New England. One speaker from the Harvard School of Public Health said something that I have repeated to my managers several times since. He said "to become the provider of choice, be the trusted provider." This statement resonated with me as I hope it does with you.

Our leadership, staff and volunteers are dedicated to building upon the relationships we have developed over the years as well as earning the trust of individuals who are not familiar with our organization. When you are in a position of choosing, recommending or referring someone for home health, hospice, medical equipment or child care services we hope you think of us as your provider of choice.

We are proud to bring several new and exciting initiatives to those we serve including a first in the nation on-site dental clinic at our VNA Child Care and Family Resource Center; a Graduate Equivalency Diploma program to our Parent Baby Adventure clients; and our Electronic Medical Record System to support Home Health and Hospice. We are immensely appreciative to the towns, foundations and individuals who recognize the value of supporting their local VNA and these programs, in particular.

This year, we are once again faced with drastic reimbursement cuts. As the state grapples with balancing the Department of Health & Human Services budget, the negative impact to critical programs through this VNA is anticipated to be more than \$100,000. Medicaid shortfalls, coupled with climbing labor expenses, have added additional demands on our delivery of services. And yet, since 1897, your VNA's mission and commitment has virtually remained the same.

Thank you for believing in the programs and services of the VNA. As always, we welcome your suggestions, ideas and comments. To learn more about any of our services or for more information on how you can personally volunteer or contribute, please visit our website www.manchestervna.org or call the VNA today at 622-3781.

Sincerely,

Debra S. Grabowski, RN
Administrator

Funding provided by the Town of Auburn is used to support services administered to residents who lack insurance coverage for either all or part of the care they receive, as well as free bereavement services and community clinics. We request your support by continued at a flat rate of \$2500 for uncompensated care to the residents of Auburn in 2004.

AUBURN VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT 2003

The year 2003 was both prosperous and saddened for the Auburn Volunteer Fire Department. The department started out with the delivery of its newest piece of fire apparatus just before the 2003 town meeting. With-in days of the in service, the Quint was put to work at its first building fire where it performed flawlessly and showed to the membership and the on lookers the outstanding use of this multi purpose vehicle. Our department also received a federal grant through the Fire-Act, which allowed us to replace aging protective clothing and out of date pagers. Our share was only 10% of the almost \$54,000 that it would have cost the town. As time would go on the membership of the Auburn fire Department would be faced with one of the most difficult times that any fire fighter or fire department can experience, the loss of a human life. For the first time in over 15 years the small Town of Auburn suffered a fire death of a long time resident of its small community. On that given morning the members of the Auburn Fire Department along with assistance from neighboring departments tried in vein to rescue the trapped victim but by the time the victim was located and removed, they succumbed to injuries received in the fire. Many of the members present that morning had never experienced this kind of tragedy but knew that the effort they put forth that morning was one of professionalism and dedication that they make to the Town of Auburn each and every day.

The Auburn Fireman's Association launched its most successful fundraiser in the history of the organization. We set out to replace a donated boat that is in need of replacing and we we're able to accomplish this with the help of our residence and local businesses.

Runs this year dropped 5% but fire loss was up to over \$200,000 for the 2003 year.

Storm Stand-by's	4		

AUBURN ZONING BOARD OF ADJUSTMENT ANNUAL REPORT 2003

The Auburn Zoning Ordinance regulates the use of property in the Town of Auburn – what it can be used for, and what restrictions must be followed. The Zoning Ordinance is part of the *Town of Auburn Zoning Regulations*, which you can purchase at the Town Offices.

The Zoning Board of Adjustment (ZBA) is the town board responsible for applying and interpreting the Zoning Ordinance. The Zoning Ordinance divides the town into "Zoning Districts" each with its own regulations. Specific property uses are permitted in each Zoning District, subject to particular restrictions. For example, you can have a house in the Residential District, or a store in the Commercial District. As long as the use or proposed use of your property is permitted under the Zoning Ordinance, you do not need to come before the ZBA. The ZBA does not have jurisdiction under certain other matters such as a building permit from the Building Inspector, site plan approval from the Planning Board, or a license from a state agency.

Certain uses are permitted by "Special Exception". If a person needs a Special Exception, application must be made to the ZBA. The ZBA then determines whether the use meets specific requirements. For example, home businesses are permitted only by Special Exception in the Residential District.

Other uses are forbidden, either because they are not listed in the Zoning Ordinance as permitted uses (for example, having an automobile repair station in the Residential District), or because they violate some explicit restriction in the Zoning Ordinance (for example, building a structure too close to wetlands or setbacks). When the Zoning Ordinance deprives an owner of any reasonable use of his or her property, without a compelling benefit to the Town, the ZBA may grant a "Variance," which sets aside specific requirements of the Zoning Ordinance provided the property owner meets very specific requirements.

If prior construction or a subdivision violates the ordinance as the result of a good-faith error (*not* from ignorance of the Zoning Ordinance or failure to check relevant restrictions), the ZBA can grant an "Equitable Waiver;" provided certain conditions are met.

A use that is no longer permitted, but which has been in existence since before the Zoning Ordinance forbade it, is called a "nonconforming" or "grandfathered" use. Most nonconforming uses may continue unchanged, but an increase or change in a nonconforming use may forfeit its grandfathered status and require the owner of the property to apply to the ZBA for relief.

In addition to deciding Special Exceptions, Variances, and Equitable Waivers, the ZBA also interprets the provisions of the Zoning Ordinance. When another town official or board makes a decision based on an interpretation of the Zoning Ordinance, that interpretation may be appealed to the ZBA.

Whether an applicant seeks a Special Exception, Variance, or Equitable Waiver, it is imperative that he/she understands the ZBA has very little, if any, subjective powers. The applicant must satisfy all of four or five requirements, depending on which relief he/she seeks. These requirements are mandated by the State of New Hampshire, and are listed on a

worksheet which the applicant is given several weeks before the hearing. Then, during the hearing itself, the ZBA makes certain that the applicant meets these requirements.

There's a common misconception that the ZBA either has written the Zoning Ordinance, or amends it. Neither is true. The Zoning Ordinance was enacted by town vote in 1967 and is amended only by another vote of the town.

The Auburn ZBA meets on demand at 7:00 p.m. on the fourth Tuesday of each month. The meetings are held at the Auburn Town Hall and are open to the public. The public hearings are announced under Legal Notices in *The Union Leader*. Decisions of each hearing are posted at the Post Office and Town Hall. Minutes of each hearing are also posted at the Town Hall and approved minutes are available on the town website.

During 2003 the ZBA held fifty-two hearings. The hearings were made up of four Appeals of an Administrative Decision, thirteen Special Exceptions, thirty-four Variances, and one request for Rehearing.

In conclusion, I would like to express my sincere appreciation and thank all the members and alternates of the ZBA who give freely of their time, dedication, and expertise on behalf of the Town of Auburn. I would also like to encourage other town residents to join with us and volunteer to become a ZBA member. If anyone has interest in joining the ZBA, please contact the Selectmen or stop by the Town Hall.

Auburn School District School Warrant for Election of Officers

**TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:**

You are hereby notified to meet at the Auburn Village School in said District, on the 9th day of March 2004, at seven o'clock in the morning, to act upon the following subjects:

1. To choose two (2) members of the School Board for the ensuing three years.
2. To choose a School District Moderator for the ensuing three years.
3. To choose a School District Clerk for the ensuing three years.
4. To choose a School District Treasurer for the ensuing three years.

The polls will remain open from seven o'clock in the forenoon until seven o'clock in the afternoon and as much longer thereafter as the voters of the School District, at the beginning of the meeting, may vote.

Given under our hands and seal at said Auburn, New Hampshire, this _____ day of February, 2004.

SCHOOL BOARD OF AUBURN, NEW HAMPSHIRE

Elaine T. Hobbs, Chair
Karen J. Garon, Vice Chair
Robert F. Hayes, Clerk
Kathleen A. Porter
Robert A. Collins

Auburn School District Warrant

State Of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN THE DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 12th day of March 2004 at seven o'clock in the evening, to act upon the following subjects:

1. To accept the reports of agents, auditors and committees or officers chosen, and place them on file.
2. To see if the District will vote to authorize the School Board to enter into a three year lease agreement for the purpose of leasing one double-wide modular classroom unit and appropriate the sum of seventeen thousand, two hundred forty-four dollars (\$17,244) for the first year's payment for that purpose. This lease agreement contains an "escape" clause. Furthermore, to raise and appropriate the sum of one hundred eleven thousand, two hundred eighty-two dollars (\$111,282) for the setup, staffing and equipping of this modular unit. (Recommended by the School Board) (Not Recommended by the Budget Committee)
3. To see if the District will vote to raise and appropriate eight million, five hundred sixty-one thousand, five hundred ninety-eight dollars (\$8,561,598) for the support of schools, for the payment of salaries and benefits for the school district officials and agents, and for payment for the statutory obligations of the District. This article does not include appropriations voted in other warrant articles. (Recommended by the School Board) (Recommended by the Budget Committee)
4. To see if the District will vote to raise and appropriate up to the sum of twenty-five thousand dollars (\$25,000) to be placed in the Expendable Trust Fund for school buildings and grounds, such sum to be funded from the June 30, 2004 undesignated fund balance. (Recommended by the School Board) (Recommended by the Budget Committee)
5. To see if the District will vote to raise and appropriate up to the sum of two thousand five hundred dollars (\$2,500) to be placed in the Special Education Expendable Trust Fund, such sum to be funded from the June 30, 2004, undesignated fund balance (surplus). (Recommended by the School Board) (Not Recommended by the Budget Committee)

Given under our hands and seal at said Auburn, New Hampshire, this ___ day of February 2004.

SCHOOL BOARD OF AUBURN, NEW HAMPSHIRE

Elaine T. Hobbs, Chair
Karen J. Garon, Vice Chair
Robert F. Hayes, Clerk
Kathleen A. Porter
Robert A. Collins

Auburn School District Meeting

March 14, 2003

The Auburn School District Meeting was called to order at 7:00 pm on Friday, March 14, 2003, by C. Donald Stritch, Moderator. Two hundred forty-four registered voters attended the meeting.

The results of the election of School District Officers held on March 11, 2003 were:

Two Members were elected to the School Board for Three Years

Kathleen Porter	536
Robert Hayes	572

Mr. Stritch recognized School Board Chairperson, Elaine Hobbs. Elaine Hobbs asked that a moment of silence be observed in memory of Matthew Sartorelli, Lynn Andrus and Clint Robinson.

Mr. Stritch introduced the guests of the evening: Robert A. Suprenant, Superintendent of Schools; Sally Waterhouse, Business Administrator; Attorney Gordon Graham, School Counsel; Anita Johnson, Principal; Eric Chase, Assistant Principal; Chris Farrah, Special Education Director. Also introduced were the members of the School Board: Elaine Hobbs, Chairperson; Karen Garon, Vice Chairperson; Robert Hayes, Clerk; Robert Collins and Kathleen Porter, Board Members.

The Moderator explained the rules of the meeting.

Article 1: To accept the reports of agents, auditors and committees or officers chosen, and place them on file. (Recommended by the School Board)

Elaine Hobbs made a motion that the article be accepted as printed. Seconded by Karen Garon. There was no discussion on Article 1.

Vote was taken and **Article 1 passed.**

Article 2: To see if the District will vote to raise and appropriate twenty-nine thousand, eight hundred ninety-six dollars (\$29,896) for the final phases of the playground equipment and renovation program to the playground at the Auburn Village School. (Recommended by the School Board) (Recommended by the Budget Committee)

Karen Garon moved the article be accepted as written. Seconded by Robert Hayes. Karen Garon spoke to the article. There was no discussion on Article 2.

Vote was taken and **Article 2 passed.**

Article 3: To see if the District will vote to raise and appropriate seven million, six hundred seventy-two thousand, seven hundred fifty-three dollars (\$7,672,753) for the support of schools, for the payment of salaries and benefits for the school district officials and agents, and for payment for the statutory obligations of the District. This article does not include appropriations voted in other warrant articles. (Recommended by the School Board) (Recommended by the Budget Committee)

Robert Collins moved that the article be accepted as written. Seconded by Kathleen Porter. Robert Collins spoke to the Article.

Robert Hayes made a motion to amend Article 3 to increase the amount by \$40,629. Seconded by Karen Garon. Robert Hayes spoke on the amendment. There was no discussion. Vote was taken and the **amendment in the amount of \$40,629 passed.**

Vote was taken on the total appropriation, as amended, in the amount of seven million seven hundred thirteen thousand three hundred eighty-two dollars (\$7,713,382). **Article 3 passed as amended.**

Article 4: To see if the District will vote to raise and appropriate up to the sum of fifty thousand dollars (\$50,000) to be placed in the Expendable Trust Fund for school buildings and grounds, such sum to be funded from the June 30, 2003 undesignated fund balance. (Recommended by the School Board) (Recommended by the Budget Committee).

Robert Hayes made a motion that the article be accepted as printed. Seconded by Karen Garon. Robert Hayes spoke to Article 4. There was no discussion.

Vote was taken and **Article 4 passed.**

Article 5: To see if the District will vote to create an Expendable Trust Fund under the provisions of RSA 198:20c to meet the expenses of educating educationally disabled children. Furthermore, to name the School Board as agents to expend and to raise and appropriate up to twenty-five thousand dollars (\$25,000) to be placed in the Special Education Expendable Trust Fund, with such sum to be funded

from the June 30, 2003, undesignated fund balance, on condition that said sum not be taken from the first fifty thousand dollars (\$50,000) of said fund balance. (Recommended by the School Board) (Not Recommended by the Budget Committee)

Kathleen Porter made a motion to accept Article 5 as written. Seconded by Elaine Hobbs. Kathleen Porter spoke to Article 5. There was discussion on the article.

A hand count was taken and **Article 5 passed:**

Yes: 113 No: 102

Article 6: To see if the District will vote to approve a tuition agreement with the Manchester School District for the education of district high school students in Manchester as negotiated by the School Board which, among other things, provides for an initial term of twenty (20) years beginning September 2003 and calls for the payment of tuition based on high school operating costs per high school pupil and the payment of a capital charge based on a shared cost of additions and renovations to Manchester High Schools and provides further for the early termination of the agreement on the fifth, tenth and fifteenth anniversary of the agreement so long as the District remains responsible for the capital cost component for a minimum of ten (10) years; and further, to authorize the School Board to submit the agreement to the State Board of Education for approval pursuant to RSA 194:22 and to authorize the School Board to take up such other and further acts necessary to give effect to this resolution, including the adoption of minor amendments to the agreement from time-to-time during its term, without further action by the School District meeting. (Recommended by the School Board)

Elaine Hobbs made a motion that the article be accepted as printed. Seconded by Robert Hayes. Elaine Hobbs gave a presentation on Article 6. There was discussion on the article.

Everett Harriman made a motion to table Article 6. Seconded by Diane Thibault. Discussion followed. Vote was taken to table Article 6. **Vote to table was defeated.**

A hand count was taken on Article 6 as written. **The Article passed: Yes: 197 No: 22**

Article 7: To see if the District will vote to raise and appropriate the sum of sixty thousand dollars (\$60,000) for the purpose of investigating an appropriate site for a second school, for the purpose of designing a minimum of two (2) floor plans and

renovation plans to the Auburn Village School. The future plans may accommodate possible Kindergarten through eighth grade programming needs, and would provide for the purpose of involving and communicating said plans with the community. (Recommended by the School Board) (Recommended by the Budget Committee)

Robert Hayes moved that the article be accepted as written. Seconded by Kathleen Porter. Robert Hayes gave a presentation on the article and discussion followed.

Vote was taken and **Article 7 passed.**

Article 8: To see if the District is interested in partnering with the Candia School District for the purposes of jointly educating its middle school students. (This is a non-binding referendum.)

Karen Garon moved to accept the article as printed. Seconded by Robert Collins. Discussion followed.

A hand count was taken and **Article 8 passed:**

Yes: 151 No: 47

Motion to adjourn was made by Robert Hayes. Seconded by Robert Collins. The meeting adjourned at 8:40 pm.

Respectfully submitted,

Joanne T. Linxweiler
School District Clerk

Principal's Report

2002-2003

School began for the 2002-2003 year on Wednesday, August 28th. Beginning enrollment was 631 students, Readiness through eighth grade. Fifteen minutes was added to the length of the school day for both the elementary and middle school programs. The middle school hours were 8:00 AM - 2:15 PM while the elementary hours were 8:50 AM - 3:05 PM.

The administrative team at Auburn Village School consisted of Principal Anita B. Johnson, Assistant Principal Eric W. Chase, and Special Education Director Christina A. Farrah.

There were several changes in the professional staff of the school. Stephen Tewksbury was employed as the physical education teacher, as well as athletic director. Christina Spanos assumed the position of general music teacher. Leanne Chauvette moved from fourth grade to seventh grade, teaching health and science. Lorna Gelinas was employed to teach eighth grade math, social studies, and computers. Two third grade teachers were hired: Dec Lapierre and Kristen Cloutier. Jennifer Germano was hired to teach second grade. In the area of special education, Amanda Joaquin-Allan was employed as a special education teacher for grades 5 and 6, and Robin Barwise was hired as the district's speech pathologist. Cindy Warhola, a certified music teacher, provided instrumental lessons for students after school at parents' personal expense.

Foreign language was added to the curriculum at Auburn Village School for the first time. Students in grades 7 and 8 received instruction daily while exploratory language was offered to students in grades 3, 4, and 5 on a rotating schedule. Patricia Hutchins began the year as the French teacher, but was replaced in October with Wendy Smith.

There were significant renovations made to the building over the summer. The old rope and tire playground was removed and replaced with the first phase of new, safer equipment. The ground beneath the equipment was also covered with material that provided a "kinder, gentler" surface for play. The middle school science rooms were updated. Storage space and sinks were provided for grades 6 and 7. (Prior to this, these classrooms had not had running water available.) Additional outlets, exhaust fans, and some tile flooring were added to the rooms. A fresh coat of paint and student lab tables completed the update. Temporary walls were added to both the elementary and middle school guidance office to provide additional space for small group instruction. Another modular unit was installed on site, adding space for two classrooms. Partial roof replacement and repair of fire sprinkler lines also occurred. The students returned to a school that had been scrubbed and polished from top to bottom. The condition of the school was a positive reflection on the community supporting it and the maintenance crew caring for it.

On the first day of school, student handbooks were sent home with all students. Separate handbooks were produced for the middle school and elementary students. It was the pilot year for the middle school discipline code and Behavior Incentive Plan. A committee composed of middle school staff representatives and parents developed the discipline program in the spring of 2002. Assistant Principal Chase chaired the committee. The School Board adopted the new plan in June 2002. All middle school students received an orientation of the new code and plan during the beginning days of school. On September 23rd, an accomplished motivational speaker, Ed Gerrety, addressed our middle school students and visited their classrooms. His presentation was due to the generosity of our PTA and a grant from Wal-Mart.

The school buses were under a new contract with Goffstown Truck. Bus routes and schedules were developed and implemented without major issues. The contract included eight new, larger capacity buses: three buses for high school, five buses for middle school, and eight buses for the elementary grades.

Student safety has continued to be a priority at Auburn Village School. Parent pick-up procedures were altered to add more protection to students. A staff committee chaired by Principal Johnson developed an Emergency Management Plan. This plan was reviewed with community safety officials and the School Board in the fall of 2002. Implementation was immediate including required staff identification badges for all employees.

Our fall open house was Thursday, September 12th immediately following the first anniversary of the tragic September 11th attack. The school's observance of this anniversary was simple, brief, and respectful. As a part of the tribute to our nation, all classes cut and traced red, white, and/or blue handprints and created appropriate symbols for display during Open House. Our theme was "Auburn Hands for Peace."

Our PTA continued to serve our school community in numerous ways. Officers for the year were President Nancy Hammerstrom, Vice President Heidi O'Connell, Secretary Nancy Pelton, and Treasurer Diane Wozmak. The fall fundraiser and membership drive were very successful. Other income initiatives included the Kmart School Spirit Program, Box Tops for Education, and Hannaford Helps Schools. The Monster Mash was held on November 1st and the Holiday Gift Shop on December 13th. Book fairs were held in coordination with the Holiday Gift Shop and again in May. Other events included an ice cream social on the evening of Open House, a presentation by Police Officer Matt Fleming on Internet safety, a Family Bingo Night in October, a Valentine Craft Night, and an art project in April.

The PTA sponsored several cultural events for the students. Storyteller Jim Weiss entertained students in grades Readiness through grade 5 on January 13th. Students in the middle school

listened to a concert by Recycled Percussion. Alice Ogden, a professional basket maker, was the artist in residence during the week of April 14th. She worked with students in grades three, four, and five to complete a woven product. The PTA also furnished mini-grants to each grade level that provided for field trips or classroom presentations that extended or enriched curriculum.

Children's Stage Adventures was also sponsored by the PTA and occurred in Auburn for the first time during the week of March 17-22nd. Students at all grade levels auditioned for parts in a musical drama production of *The Sword Called Excalibur*. Two performances were given on Saturday, March 22nd. Students in grades 2 and 6 also participated in drama workshops during that week. Fifty-four students participated in the play.

Our website, www.auburnvillageschool.com, began its second year with Cindy Berling serving as webmaster. Updating and expanding the web site was a continual undertaking. Significant additions to the web included the student handbooks, parental information on 504, and expanded classroom information. The web site was initiated through the generosity of our PTA and federal grants. Its maintenance is now a part of our annual budget.

The PTA School Volunteer Program received the distinction of being selected for the Blue Ribbon of Excellence Award from the NH Partnerships in Education. This was the sixth year in succession that our volunteer group has been recognized for the excellence of its program. Danita Gerhold served as volunteer coordinator with the assistance of Susan Shepherd. The volunteer program provided invaluable service throughout the school: classrooms, library, computer lab, field trips, and special events.

Reflections, another PTA sponsorship, was held on January 22nd in the school library. There were 41 student entries in various categories: art, photography, music, and literature. This year's theme was "Signs of Courage." The entries were displayed throughout the day and visited by each classroom. Judging occurred after school, and an awards presentation was held in the evening. During the day, as classes visited, students and staff voted for their favorite entries. The Staff Pick went to Kelsey Kresge in second grade. The Student Pick was awarded to Cody Carrette in third grade. Twenty-six entries were selected to go on to state competition in March. Two of our students placed in the State Reflections Show. Kaitlyn Newdorf, a sixth grade student, received a second place ribbon for her musical composition in the middle school category. Jenny Carignan, a second grader, received a second place ribbon for photography in the primary category.

Our school continued to perform well in the New Hampshire Educational Improvement Assessment Program (NHEIAP) in both grades 3 and 6. The results of the May 2002 evaluation were released in October 2002. Our class scores for both grades continued to rank above the state average in all areas. Our teaching staff has continued to provide a comprehensive, challenging curriculum that is

closely aligned to the standards of the NH State Frameworks. Each year, curriculum committees study our NHEIAP results and adjust curriculum requirements and instructional practices based on those results. The NHEIAP was again administered in grades 3 and 6 in May 2003 in compliance with state regulations. NHEIAP assessments provided a comparison of the performance of our students against state averages; results reflected levels of mastery of grade level guidelines on the state curriculum frameworks.

Students in grades 4 and 7 took the Terra Nova, a nationally normed performance assessment in the areas of reading, math, social studies, and science. This test was administered during the same time the students in grades 3 and 6 were taking the NHEIAP. Results of the May 2002 assessments were sent home to parents in October 2002. This achievement test allowed parents and school staff to compare the performance of our students to other students in the nation.

Our middle school again participated in Red Ribbon Awareness Week. The PTA provided their annual grant for the Manchester Youth Theatre to perform for middle school students. Selected students also worked with the troop's directors to plan and perform their own skits on peer issues for the middle school students on October 31st. A representative from the State Police spoke to the middle school students about the harmful effects of drugs, alcohol, and tobacco.

Under the guidance of their advisor, Kathy Roggenbuck, the Auburn Village Student Council again facilitated a wide range of community service projects and social events for the middle school. Student council officers were as follows: President Carly Laliberte, Vice President Kate Jurson, Secretary Sara Murray, and Treasurer Ryan Keeley. The group sponsored monthly dances and Spirit Month activities. Fundraisers included the fall magazine drive, Friday "popcorn days", and a concession stand for home basketball games. The student council worked with the Leukemia Society of America to facilitate a "Pennies for Patients" fundraiser in March and provided leadership in the school's Carbon Hill project. They also sponsored an after school event for fifth and sixth grade students at the end of May to help transition the younger students into middle school.

The interscholastic athletic program in grades 6-8 provided opportunities to participate in soccer, basketball, cheerleading, volleyball, softball, and baseball. All of our sports teams represented the school well, demonstrating a positive team spirit, good sportsmanship, and strong skill ability in their respective sport. Both the girls' and the boys' basketball teams won the Tri-County League Division S1 Championship. The accomplishments of the team members in all sports were recognized at the annual AVS Sports Awards Night on June 18th.

Mr. Tewksbury, our athletic director, also began an informal intramural program for middle school students. He opened up the gym for basketball on Friday mornings before school. He started lacrosse scrimmages in the spring. Both activities were initiated to involve more students in school activities, promote school spirit, and provide opportunities for increased physical activity and general health.

Two teams competed in the Destination Imagination competition in the regional meet at Merrimack High School on March 8th. The elementary team competed in *Video Adventure*, and the middle school team participated in *Theatre Smarts*. Both teams placed first in their divisions and moved on to state competition in Dover on April 5th. They placed well in the state competition earning the right to progress to the final level of competition in Knoxville, Tennessee. At the Global Finals, the elementary team placed twelfth and the middle school team placed fourth. All participants spent countless hours developing their unique solution to their chosen challenge, constructing the scenery, costumes and props, writing scripts, and rehearsing performances. They developed skills on many levels from creative problem solving to teamwork and cooperation. Fourteen students and four adult coaches participated in our DI program this year. We are proud of their initiative, effort, spirit, and accomplishments.

In another academic competition for students in grades five through eight, Andrew Pazdon, seventh grade, was our school winner in the National Geography Bee for the second year in a row. Second place was awarded to Kara DiNatale, grade 5, and third place to Andrew Sartorelli, grade 8. Andrew Pazdon's results on the written exam that follows local competition qualified him for the state contest at Keene State College in April. He has represented our school well in the past two years in the state competition.

Fifth grade students took first and second place in the school Spelling Bee. First place was awarded to Danielle Archambault with Tyler MacPherson placing second. Twenty-five students from grades 5-8 competed in the event. They represented the top two spellers from their homerooms. Danielle went on to represent our school at the District Spelling Bee in Manchester on March 15th.

Two music concerts were held during the year. Grades R-3 performed in the winter concert in December along with the middle school chorus. The chorus and students from grades 4 and 5 participated in the spring concert in May.

We celebrated "Read Across America Week" in March with a variety of activities including a student book swap, guest readers, and a daily Dr. Seuss Trivia contest. Staff members wore costumes from their favorite children's books. These projects were undertaken to increase the students' enjoyment of reading and interest in books.

On May 29th the newly formed AVS Chapter of the National Junior Honor Society held its first induction ceremony. A faculty council chose fifteen middle school students for membership. Selection criteria consisted of evidence of scholarship, leadership, citizenship, service, and character. Selection and induction will be annual events. The chapter will plan and participate in community service projects. Starting a chapter of NJHS was another way to recognize the exceptional contributions and achievements of our students.

Other school events included Project Safeguard on May 30th for seventh grade parents and students. There was an invention fair for students in grades three, four and five on the evening of March 27th. The fifth grade enrichment class demonstrated their Rube Goldberg contractions. The third and fourth grade enrichment classes also displayed invention ideas. The Fourth Grade Water Fair took place on April 3rd. Projects displayed were the culmination of a science unit.

Our school community participated in a donation drive for a fellow school in Carbon Hill, Alabama during the winter months of January and February. The K-8 school was destroyed along with a third of the town in a tornado in November 2002. The drive began with the staff presentation of children's books at Barnes and Noble on January 16th. All proceeds went to refurbishing the school at Carbon Hill. The student council donated profits from a Friday popcorn sale and a middle school dance as well as sponsoring a "Hats Off for Carbon Hill" fundraiser. Cash contributions were also solicited from the community under the campaign slogan, "Positive Change for Carbon Hill". This community fundraiser provided our students with a learning experience in civic responsibility and service as well as aiding another educational community.

It was a very busy and full year in which time seemed to fly. Before we knew it, we were looking at the conclusion of school and eighth grade graduation activities. The last day of school was Monday, June 23rd. Graduation for 75 students was held on the evening of June 20th in the AVS gymnasium. As always, it was a time of celebration and reflection. We reflected on the students' triumphs and accomplishments through their time at AVS and looked ahead with promise to the endless possibilities the students have in their future – high school, college, and beyond.

Learning is a complex process, and education in our world requires the cooperation of home, school, community, state and national leadership. It is a collaborative process for a common goal of immeasurable value; our children are the hope and future of our personal lives and our destiny as a nation and world. We appreciate the support of the parents of our students, the Auburn community, our School Board, SAU administration, our PTA, Auburn Fire and Police Personnel, and others in serving the students of Auburn Village School. Together we have completed another successful year. Thank you.

Respectfully submitted,

Anita B. Johnson
Principal

School Board Chair's Report 2003-2004 School Year

On behalf of the Auburn School Board, it is my pleasure to issue this annual school district report. During the past year, the Auburn School District has faced many challenges yet has maintained its excellence in educating our children.

The Auburn Village School and the Auburn community sustained a big loss this year. We were all very saddened by the sudden passing of Christina Farrah, our long time Special Education Director, on September 2nd, the first day of school. Chris was a very dedicated and passionate person that has been missed immensely.

The School Board, along with the SAU administration and building level administrators, drafted goals at our annual June retreat. These goals were developed from our Local Education Improvement Plan and serve to guide our initiatives throughout the school year. We were pleased to welcome back Principal Anita Johnson and Assistant Principal Eric Chase. Ellen Kelsall was hired as the Interim Special Education Director who, along with Superintendent Robert Suprenant, Assistant Superintendent Eric Wigode, and Business Administrator Sally Waterhouse provides us with the leadership necessary to achieve these goals and maintain a high quality education.

On July 1st the Manchester High School contract was signed. We now have a long-term agreement with Manchester to send our students to Memorial High School. Along with the high quality education that our children will receive, the Manchester schools are undergoing major additions and renovations. We are very excited about the potential that exists for our students.

With a long-term solution for our high school students' education, we are now able to concentrate on the space needs of our children in the elementary and middle level grades. In March, the town passed a warrant article for \$60,000 for the Board to investigate a potential second school. This has been an enlightening experience. The Programming and Space Needs Committee has spent countless hours trying to find an appropriate location for the school. Unfortunately, even with significant due diligence and effort expended, the search process is ongoing.

The Board also started discussions with the Candia School District to investigate the potential of partnering with them to educate its middle school students. We put the talks on hold for now until a school site has been solidified.

We would like to thank the PTA for all the hard work they do for the school. The volunteers need to be commended for the amazing number of hours they dedicate.

Unfortunately, we will be saying goodbye to our Superintendent, Robert Suprenant. He will be moving on to the Milford School District to face the challenges of a new district. He has been a wonderful leader to our district. Bob will be missed by the Board, the AVS community, as well as the town of Auburn. We wish him the best of luck!

In conclusion, many thanks to the entire community for joining us, in providing exemplary educational services to our students. Our teachers, in particular, continue to provide a high quality education for our children. On behalf of each member of the Auburn School Board, I offer our appreciation for your active support.

Respectfully submitted,

Elaine T. Hobbs, Chair
Auburn School Board

Auburn School District

Report of the Superintendent of Schools

2003-2004 School Year

It is my pleasure to submit to you this annual report as your Superintendent of Schools. The 2003-2004 school year has been one in which the District continues to implement many of its goals and objectives designed to personalize student learning and to provide a quality environment for our students at the Village School.

As voters, you approved eight warrant article proposals from the School Board at the School District meeting in March of 2003. One of those warrants appropriated the sum of \$60,000 for the purpose of investigating a site for a potential second school. As of this writing, it does not appear that the School Board will be in a position to recommend such a site at this year's district meeting. This should in no way indicate a lack of effort. The Board's Programming and Space Needs Committee has worked tirelessly with the architectural firm of Team Design to locate suitable property to build a second school. Correspondence was initiated by the Committee to every Auburn proprietor of twenty or more acres to determine interest in discussing the sale of their properties to the school district. While some discussions occurred with individual owners, including Manchester Water Works, no suitable site has been finalized. The Auburn community will need to continue this as a priority goal in order to fully meet the facility needs of its student population in the future. Nevertheless, the Committee and Team Design have developed some outstanding in-depth information which, coupled with the New Hampshire School Administrators' Association study in 2002, will serve as invaluable foundation material for the future of the Auburn School District.

The School Board and administration meet annually in June for a full day retreat to establish goals and objectives for the coming year. This year, the Board met on June 19th at the Safety Complex and determined to continue with goals designed to maintain continuous improvement within the Village School. This year's objectives included engaging the community in an understanding of the need for a second school and in developing improved reading strategies for students through Project ASPIRE (Advancing Student Performance through Increased Reading Education).

Economic issues at all levels will continue to demand our attention as we seek ways to accommodate the ever-increasing needs of our student population. Nationally, the passage of the Elementary and Secondary Education Act, better known as No Child Left Behind, presents challenges to our educational system. Auburn can be very proud that the Village School, in spite of the difficult standards established in the No Child Left Behind legislation, met adequate yearly progress this school year.

Auburn can be pleased with a school community that makes decisions in the best interest of all students. Principal Anita Johnson and Assistant Principal Eric Chase provide a high quality leadership team to a dedicated faculty and staff. Their efforts continue despite the unexpected loss of Special Education Director Christina Farrah on the first day of school this year. Chris, your kids are doing terrific and you would be proud of them.

This will be my final report to you. I have been honored to serve you these past six years as both Assistant Superintendent and Superintendent of Schools. Much has been accomplished during that time, including an award of \$90,000 through Goals 2000 funding, the implementation of staggered school start times, the development of a Local Education Improvement Plan, playground and facility improvements, the introduction of foreign language into the curriculum, and expanded co-curricular opportunities.

The Auburn community should be proud of the efforts of the leadership provided by its School Board, consisting of its conscientious Chair Elaine Hobbs, and energetic members Karen Garon, Bob Hayes, Bob Collins, and Kathi Porter. Each of them works diligently in a variety of responsibilities to improve the education of Auburn students.

My very best wishes to a very special community.

Respectfully submitted,

Robert A. Suprenant
Superintendent of Schools

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District as of and for the year ended June 30, 2002 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Auburn School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District as of June 30, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Auburn School District taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
